## *Vision*

Continental Group of Institutes is envisioned to be a leading Technical education group in the region disseminating globally competitive education, effective industry interface & relevant research output in congruence with the changing needs of the society in general & industry in particular through innovative learning.

## *Mission*

To foster value centered & versatile engineers, professionals & business leaders competent to participate in comprehensive growth & development of the nation. At Continental Group of Institutes, we would hone their skills in contemporary business practices through education that is entrepreneurial in spirit, ethical in nature & global in orientation.

## *President's Message*

I welcome your decision to join CONTINENTONIANS' family!

To embark upon a journey to success, one needs the foresight, goal, resolve & strategies to attain the stipulated goal. The educational institutions in general and Technical Institutes in particular have to shoulder the responsibility of developing and nurturing world class Engineers, Technocrats and Business leaders. The ability to innovate and the capacity to adapt to latest technologies are going to be the forte in the new century.

It is my conviction that success lends itself faster to those, whose confidence is inspired by not only literacy but education in real terms encompassing character & personality traits. Our endeavor at CGI is to develop thorough bred professionals who can surpass challenges in their career & lives. With this mission, our highly qualified & experienced staff maintains a consistent focus on high quality education including class room teaching, professional training in coordination with industry and facilitates best career opportunities. Teaching at Continental Institute of Engineering & Technology is worth a lifetime achievements. We have the key success factors in place to withstand the winds of dynamism.

To meet the ever growing demand for competent, talented and dynamic professionals, capable of counter-challenging the Global challenges themselves, the Continental Group has established premier quality Institutes in the field of Engineering, Computer science, IT, Commerce and Business Administration.

We strive to accomplish your dreams and goals to bring greater effulgence in the future. We have created a secured, conducive and serene environment for both boys and girls to make it their coveted educational destination.

I am confident that you and your family will always cherish this decision and it will bring eternal happiness and a sense of fulfilment.

God bless!

Col. (Retd.) B S Sandhu

## *Executive Director's Message*

Continental Institute of Engineering and Technology has grown by leaps and bounds over the last few years. It has been our endeavor to provide quality education to our students supported by world class infrastructure and qualified ,well experienced faculty. The institute offers a wide range of curricula keeping in mind the changing trends and opportunities. The emphasis is on all round development of the students, who are competent and confident enough to contribute their mite to the society.

In pursuance of our vision of making Continental Institute of Engineering and Technology as the leading technical institute in the region imparting globally competitive education, we lay special emphasis on industry interface and research output in congruence with rapid changing needs of the environment and industry. At the institute, we also focus on sharpening the skills of our students on modern business practices in the back drop of global orientation and value based teaching.

Maj Gen. BPS Grewal

## Principal's Message

Dear Students/ Parents,

I congratulate you all on being a part of the ever growing world of Continental Institute of Engineering & Technology. As often asked by the media what has contributed to the recent meteoric growth in popularity of this college then I would answer this question in one sentence, that it is the collective vision of this college which is enormously progressive, receptive to change and modernity, and always striving to maximize opportunities for its students to develop a rich personality. The college has a highly qualified faculty, which imparts quality education in the classroom and also assiduously engages in offering multifarious forums for personality development from cultural events to intellectual seminars, from socially sensitizing programmes to enhancing the aesthetic sensibility, the college has a rich fare to suit all types. The prospectus will offer you a glimpse of our assortment. We believe in a judicious mixture of freedom and discipline.

Evidently, we have already achieved several milestones of excellence in our academic and extra-curricular performances. CIET is engaged in advanced research and socially purposeful projects over and above regular institute events. Seven departments of the college are currently pursuing the route of research, discussions and interactions with society, towards goals that will bring in, perhaps small, but vital changes in our socio-economic and ecological environment. We encourage our students to share the same vision.

I wish you all the best for all your future endeavors.

Dr. B. Lonia

## About Us

The Continental group made its foray into field of education in 2001. In a short span of nearly a decade, it has carved a niche for itself in the field of imparting quality education of International standard.

Since its inception, the group has progressed leaps and bounds and has established Premier Institutes in the field of Engineering, Computer Science & Application, IT, Commerce and Management at both graduate and under graduate levels.

Continental Group has brought various programs under one roof thereby facilitating the students to pursue education of their passion. It is our conviction that personal and intimate attention inspires the students to develop self confidence, professional knowledge and contemporary skill sets. The focus of the Group is on providing a wide arena in Academics for the students stretching from Post Graduate / Under Graduate courses at International as well as the Domestic fronts.

The curricula covered are current, relevant and responsive to trends and opportunities. We believe that Education is not just about finding the right job after successful completion of course; it is concurrently enjoying your years with us, building friendships, developing self worth and discovering yourself continually.

At Continental Group, we believe in sharing rather than teaching and hence grooming the students effectively through participative learning and enhancing their confidence and communication skills. A very caring, friendly and supportive staff and faculty will always be there to substantiate the learning of students..

The Group Institutes are spread over 60 acres of sprawling lush green land right on the National Highway 1(GT Road) between Rajpura and Sirhind. The institute has the distinct advantage of its strategic location being easily accessible from Chandigarh,

Mohali, Ambala, Ludhiana, Patiala, Panchkula and New Delhi.

Continental Institute of Engineering and Technology (CIET) - the flagship institute of the group, has been approved by All India Council for Technical Education (AICTE), New Delhi, Government of Punjab, and is affiliated to Punjab Technical University (PTU), Jalandhar. The Institute offers MBA & degree programmes (B Tech) in the field of Computer Science, IT, Electronics and Communication, Mechanical & Civil\* Engineering.

Continental College of Higher Studies, Jalvehra affiliated to Punjabi University, Patiala & conducts under graduate programmes in the field of Computer application/Science, Business Administration & Commerce.

The Group has proposed to launch two more Institutes by the name and style of "Continental Institute of Business Studies" and "Continental Institute of IT & Computer Science" with effect from academic session 2012-13 to conduct MBA and MCA Programmes respectively.

## *Learning Resource Centre*

The Institute's library is an enviable possession of the Continentonians & speaks of its outstanding research and educational mission. The library is computerized with wi-fi facility and internet facility which provides a comfortable and friendly environment to everyone that enables learning and enrichment of knowledge. Spread over 700 sq meters, the library stocks more than ten thousand books authored by renowned international writers and published by well-known publishing houses in India and abroad. The library subscribes to number of national and international journals/E-journal/magazines and receives several newspaper dailies. It remains open from 9:00 a.m. to 10:00 p.m. daily to enable the resident students and others to make optimum use. Institute library also has DELNET facility for accessing online national and international journals and books.

## *Computer Centre*

The Computer Centres has been provided with high end IBM & HCL Core 2 Duo desktops which are amply supported by additional peripherals and hardware. A compact network has been established with latest Cisco Routers and Switches. The campus is Wi-fi enabled. Dedicated leased line of 8 Mbps is available on 24\*7 basis enabling the students to access internet at their convenience. There are a number of software viz. Inventor, Windows Server 2003/2000, Windows XP, SQL Server 2005/2000, MS Office XP, Turbo C++, Auto CAD, Pro-E, Visual Studio 2008/2005/2002, Adobe Photoshop, Macromedia products, UNIX (SCO), Oracle etc.

## *Communication Skills Lab*

The institute has a well-equipped and fully air-conditioned communication skills lab. The students learn speaking as well as listening skills in the lab with the help of modern software available in the communication lab. To make learning effective each student in the lab is provided with a computer, headphone and mike.

## Laboratories

To supplement theoretical knowledge with practical skills well equipped laboratories with calibrated and sophisticated equipments conforming to the latest technological trends and university requirements have been set up.

## *Workshops*

Various shops are well equipped with latest machines and tools, and are manned by qualified and experienced professionals. Students are given hands on experience in various shops like carpentry and pattern making, foundry, forging, machine, welding, sheet metal, fitting and electrical and electronics.

## *Hostels*

The institute has fully furnished independent hostels for girls and boys. Located within the campus, the hostels can accommodate about 400 students. Basic amenities like aqua-guard fitted water-coolers, hot water supply in winter, common room for recreation, TV room, indoor games like Table Tennis, snooker etc form an integral part of the hostels. Wi-fi internet connectivity round the clock is available to the students of the hostels. An MUV is kept in the hostel for the students for emergencies. Institute hostels have separate gymnasium and sports rooms.

The hostel mess provides healthy and hygienic food to the students. The hostellers also have the advantage of using the college library and the computer labs till late hours in the evening.

## *Health Care*

The Campus has its own healthcare centre to ensure well being of the students. On campus full time medical assistance is provided to the students through a professionally qualified and experienced doctor. An ambulance is available round the clock for any kind of emergency. The institute has tie-ups with renowned hospitals in the nearby area to handle specialized treatment on need basis. In addition to the above a lady doctor visits the campus periodically to counsel the girls regarding their health related issues.

## *Games & Sports*

A lot of emphasis is laid on extra-curricular activities at the institute by way of providing excellent sports facilities-both indoor and outdoor and a platform for performing cultural activities. All the students are encouraged to take active part in sports and cultural activities. A fully equipped gymnasium is an added attraction to the sports facilities. The institute has separate playgrounds for cricket, hockey, basketball, and volleyball. Regular matches are arranged between students from different institutions.

An open-air theater (Amphi-theater) in the institute provides the best environment for cultural activities which are a regular feature with the students at the institute.

## Academic Programmes

Duration and Entry Level Qualification for Technical Courses		
Program	Duration	Eligibility (as per affiliating University PTU)
<b>B.Tech:</b> Engineering & Technology Mechanical Engineering, Civil Engineering, Computer Science & Engineering, Electronic & Communication Engineering	4 Years	<b>Management seats:</b> Passed 10+2 with Physics and Mathematics as compulsory subjects along with one of the Chemistry /Biotechnology/Biology /Computer Science <b>Seats through PTU Counseling:</b> In addition to above, a candidate will be admitted on the basis of All India Engineering Entrance Examination (AIEEE) merit list
<b>B.Tech:</b> Engineering & Technology Mechanical Engineering, Civil Engineering, Computer Science & Engineering, Information Technology, Electronic & Communication Engineering	Lateral entry to second year	i) Passed Diploma examination from an AICTE approved institution ii) Passed B.Sc Degree from a recognized University as defined by UGC. In addition candidate would have to clear Engg Graphics/ Engg drawing & Engg Mechanics (first yr subjects) along with the second year subjects.
Post Graduate Degree		
MBA	2 Years	Recognized Bachelor's Degree of minimum 3 Years duration
M. Tech (Mechanical Engg.)	2 Years	Bachelors degree or equivalent in the relevant field
M. Tech (ECE)*	2 Years	
M. Tech (ME) (Part Time)*	2 Years	
Diploma Programs		
Engineering & Technology	3 Years	Passed 10th Standard /SSC examination
Engineering & Technology	Lateral entry to 2nd year Diploma	12th Science with Vocational/Technical OR 10th+2 Year ITI with appropriate specialization
<b>Specializations:</b> • Mechanical Engg. • Electronic & Communication • Computer Science* • Civil*		

\* Approval Awaited

## Eligibility Criteria for admission

### For B.Tech Courses (Management Quota)

The Government of Punjab has approved 33-1/3 percent (one third) of total seats as management quota vide Notification No. 13/129/2003-1TE2/1247 dated 25.04.2008 in all the Private Unaided Colleges.

The College/ Institute Management will fill these seats in accordance with the following order of preference:

- Merit in All India Entrance Test (AIEEE).
- Marks secured in the qualifying examination.

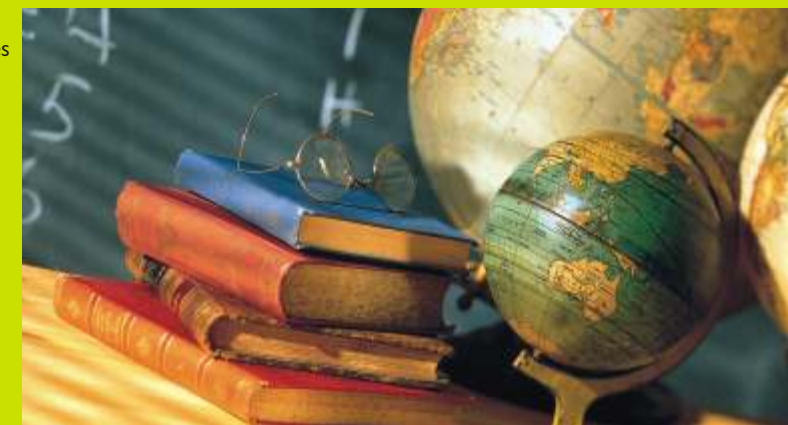

## Admission Procedure for Seats through PTU Counseling

### For B. Tech Courses

All India Engineering Entrance Examination (AIEEE) is held in the month of May/June every year for admission to Engineering & Technology courses for three Universities, viz. Punjab Technical University (PTU) Jalandhar, Punjabi University, Patiala and Guru Nanak Dev University (GNDU), Amritsar. Detailed information related to the eligibility criteria, admission process, examination centres, examination fee, and other details are available in the University's Prospectus for AIEEE/ website ([www.ptu.ac.in](http://www.ptu.ac.in)).

The total percentage of seats under this common admission test is 66.66% of the approved intake. The reservation for various categories is mentioned in the PTU Prospectus. Apart from admissions through centralized counseling, 33.33% seats are reserved under management quota. The seats under Management quota are filled strictly in order of merit on the basis of aggregate scores in Physics, Mathematics and Chemistry/Bio-technology/Computer Science/Biology at Senior Secondary School Examination (10+2).

In addition to above, 10% supernumery seats of the approved intake are reserved for Economically Backward classes, Physically Challenged and Women candidates as per Government of Punjab/ AICTE Notification on the subject.

### Direct Admission to Second year B.Tech in any stream (LEET)

Punjab Technical University, Jalandhar offers direct admission to second year of B.Tech (LEET) course. Eligible Diploma holders in any Engineering Trade, from Punjab State Board of Technical Education, Chandigarh or Diploma/ Certificate course from Sant Longowal Institute of Engineering & Technology, Longowal or such Examination from any other recognized State Board of Technical Education or BSc Degree, can contact the institute authorities for the same.

### For MBA Course

A combined entrance test (MET) is held in the month of May/June every year for admission to MBA course for three Universities, viz Punjab Technical University (PTU) Jalandhar, Punjabi University, Patiala and Guru Nanak Dev University (GNDU), Amritsar. Detailed information related to the eligibility criteria, admission process, examination centres, examination fee, and other details are available in the University's Prospectus for MET/CMAT Conducting by AICTE..

For seeking admission to the above, 66.66% of seats are filled through a common entrance test (MET) held under the aegis of Government of Punjab for admission to the Institutes under GNDU, Amritsar, Punjabi University, Patiala and PTU, Jalandhar/CMAT.

The balance seats (33.33%) are filled under the Management quota directly by the Institute. The Management quota seats are allotted on the basis of merit in the qualifying examination for the respective courses. Reservations of seats are implemented as per directives of the competent authority.

### Submission of Credentials as Proof of Eligibility

Candidate who fulfill the eligibility criteria are required to submit their original certificates i.e. Secondary School Certificate (10th class), Senior Secondary School certificate (10+2 or equivalent)/Diploma

Certificates/Bachelor Degree, Character Certificate and a Medical Certificate of fitness from a Registered Medical Practitioner and other relevant Certificates along with attested photo copies of the same.

### SPECIAL CONSIDERATIONS

A special consideration will be given to outstanding sportspersons, National Talent Award recipients, NCC cadets with "B" or "C" or "G-11" certificate, physically challenged students, bonafide residents of the rural areas, wards of Olympians and defense /paramilitary /police personnel. Seats are also reserved for ST/OBC as per Government policy.

## Schedule of Fee Payment

The fee should be paid only by way of bank draft in favour of "Continental Institute of Engineering & Technology" payable at Mohali.

All disputes are subject to the jurisdiction of District Fatehgarh Sahib Court.

### ODD SEMESTERS (1st and 3rd LEET)

Within 10 days of Registration or start of Semester whichever is applicable (without late fee)

### ODD SEMESTERS (3rd main, 5th & 7th)

05 April-10 April (without Late Fee)

11th April -16th April  
(with Late Fee of Rs 100/- per day till actual payment)

17th April onwards  
(Late Fee of Rs 500/- + Rs 150/- per day till actual payment)

### EVEN SEMESTERS (2nd, 4th, 6th & 8th)

05 October - 10 October (without Late Fee)

11th October - 16th October  
(with Late Fee of Rs 100/- per day till actual payment)

17th October onwards  
(Late Fee of Rs 500/- + Rs 150/- per day till actual payment)

Registration for each semester is compulsory.

## Fee Refund Policy

Refund will be settled as per management norms.

## Life at Campus

There is more to the student life than books and tests, as Continental Group of Institutes promises an enchanting life outside the classroom. The college experience involves creativity & innovation, making new friends and finding out who you really are with the support of various services provided at all corners. CGI is a supporter of various creative activities for students. Extra curricular activities like declamation contest, quiz nights, seminars and guest lectures etc. are organized. The Group Institutes provide remarkable exposure to the students with an active participation of the faculty and staff.

### Clubs

**Babbage IT Club:** The technology savvy student members of the club explore IT Vistas on consistent basis under the guidance of faculty members. Through club activities, the budding professionals keep themselves abreast with global developments.

**Business Wizards:** The club members explore various facets of business including latest practices in HR, Finance & Marketing in International arena.

**Tech Net Club:** The budding technocrats critically analyze the advance technologies in use across the globe and innovate new techniques to make prototypes.

The clubs also organize various professional and semi professional competitions at inter institute level co-opting the industry as well.

Other Student's clubs:

- Robotics Club
- Aircraft Club
- Automotive Club
- Photography Club

### “Spring Board” The Placement Cell

It is time for major changes in organizations worldwide. The highly skilled base of students delivering stellar performances eventually lead to long term mutually beneficial association with the corporate world and this has been proved time and again by the number of Placement Offers being given not only to continentonians but also to the students of the institutions which imparts similar education.

The companies that came to campus offered a plethora of profiles across verticals and functional domains like Investment Banking, Private Equity, Project Finance, Equity Research, Business Advisory and Strategy, Sales, Marketing, Programming and Consulting, ITES and Manufacturing etc.

Continental group of Institutions had an impressive turnout of multiorganizations on campus, with an average pay package of 3.5 Lac Per Annum .The highest package was 24 Lac Per Annum for the students who joined Merchant Navy.

Indian corporate space was well represented by the brands like Zensar Technologies,Fracton Technologies, Eastman Cast and Forge, Mahindra and Mahindra, ICICI Bank, Axis Bankas well as conglomerates like Sonalika, HDFC,IBM India, Secugenius Security Solutions, and Bebo Technologies which offered roles in IT Consulting, Project Management, Sales and Marketing, Business Development and Corporate Strategies.

## Major Events 2012-13

### International Conference on “Recent Advancements in Technology & Management”

There has been a tremendous change in the technology and management arena globally in the last few decades. To keep up with the pace of this ever changing scenario, dynamism and innovations are imperative. The conference on recent advances in technology and management aims at providing a forum to bring together researchers, academicians and practitioners in the field of technology and management and enable them to exchange and disseminate idea on the new of developments in technological and management practices and techniques.

### Blood Donation Camp

One can almost say that blood is that magic potion which gives life to another person. Though we have made tremendous discoveries & inventions in Science we are not yet able to make the magic potion called blood. Human blood has no substitute. Requirement of safe blood is increasing and regularly voluntary blood donations are vital for blood transfusion services.

Continental Group of Institutes organized Blood Donation camp at CGI campus in association with the Rotary Club, Chandigarh. The camp was conducted under the supervision of Dr A K Varma, Principal-CCHS and Dr R.S.Shah, Director-Technical Rotary and Blood Bank Society Resource Centre, Chandigarh. The camp received an enthusiastic response from all student volunteers and staff members, in all 300 units of blood were collected. All volunteers were given appreciation certificates and refreshments. Col. B.S Sandhu, the Chief Managing Director of CGI was also present on the occasion. He highly appreciated the students and staff of the institute for their noble gesture and urged the youngsters to continue donating blood in future also. In the end, the staff of Rotary Club were given lunch.

### Founders' Day

The Annual Founders Day was celebrated with tremendous fervor and enthusiasm. It was an amalgamation of various remarkable proceedings such as convocation, cultural events, international conference, cake cutting ceremony and finally succeeded by a star night. There was an enormous number of students, their parents as well as eminent guests from nearby places who enjoyed the entire function. This function, like always, is an initiative taken by Our CGI family so as to provide students opportunities to participate as well as to enjoy along with education

### Over 400 students took the JET test

Continental Group of Institutes (CGI) in Jalvehra conducted a Joint Entrance Test for the students appearing in the 10th standard and looking forward for admissions in various Polytechnic Colleges across Punjab.

The test was conducted by Punjab State Board of Technical Education and CGI was the prime associate in the administration of the test. The test was totally free of cost for the students; this was to encourage the maximum students to turn up for the test. More than 400 students from across the region came to take this test. CGI accommodated the students from more than 10 schools of the region. The administration of the test was completely student friendly with no formalities like checking of any documents of the students. All were welcomed to take the test.

It was announced that all the students who took the test and have passed it with flying colours would be suitably rewarded and will be given impressive fee concessions.

### 5th Annual Sports Day

Continental Group of Institute celebrated its fifth annual sports day on 5th March 2013 with great zeal and fervor. Building on the success of last years, this event brought together students in intense competitive spirit. All students especially the participants were really excited about the event.

Professor Preamsingh Chandumajra, ex- Member of Parliament was the Chief Guest for the day. Advocate Amardeep Singh Dharni, President District Bar Association, FatehgarhSaheb also accompanied him as the Guest of Honour. The Chief Guest said that Continental Group of Institutes has always taken initiative for all round development of students. CGI spends huge amount on games & sports and gives lot of impetus to the sports events. It further envisions to provide world class facilities in the days to come. He advised students to excel in academics on par with games and sports.

### Xenos 2013 - Annual Tech Fest

Continental Group of Institutes Annual Tech Fest kicked off with an energetic start where a large number of students slugged it out for prizes. Advocate Deepinder Singh Dhillon (Chairman Planning Committee, Patiala), Chief Guest of the Event, inaugurated the event with the lighting of lamp. Speaking on the occasion he stressed upon the importance of technical education and participation of the students in such events.

Dr. H.K. Sardana (Deputy Director, CSIO, Chandigarh) guest of Honor interacting with the audience highlighted the importance of science and research in technical education and how these events are platform for the students to show their skills and learn to compete.

Xenos 2013, Comprised of events in field of engineering, Management studies, Cultural and General events. Around 50 events will be conducted in course of 2 days. The even will conclude on March 8th, 2013. More than 380 students will compete in various events.

Students participated in events with enthusiasm, depicting their competitive skills and urge to win.

## *Intellectual Capital*

Faculty is the backbone of the professional Educational Institutes. Teaching faculty at CIET comprises of well-qualified experienced and dedicated persons. Their teaching experience in the best institutes like IIT's, NIT's, Punjab Engineering College, Panjab University, H.P. University, and Thapar University etc. is an added advantage to students. The students are assisted in terms of career guidance from different backgrounds and educational experience, whether studying in internal or external mode.

## Prominent Faculty

### Key Functionaries

**Maj. Gen(Retd) BPS Grewal**

**Mr. Vishal**  
Chief Librarian

**Systems Department**

**Mr. Hitender Taneja**  
Sr. Manager

**Training & Placement Department**

**Mr. Harbhjan S Mann**  
Head

## Rules & Regulations

### Smart Identity Card

On confirmation of admission, all students are issued respective College smart Identity cards. Entry to the college premises is strictly on production of smart card issued to the students on demand. It is expected that the students keep their respective identity cards in their front shirt pockets tied with a string. Students not in possession of the identity card may be refused entry to the Institute and marked absent.

Identity card issued to a student is not transferable. A student has the privilege to utilize the facilities provided to him/her on the basis of identity, only for his personal use. In case of loss of identity card, a duplicate identity card shall be issued subject to a written request from the student. Rs. 200/- will be charged for issue of a new card. In the event of loss of duplicate I-card a penalty of Rs. 500/- will be levied for issue of fresh card.

The identity card is valid only for the duration of the program in which the student has taken admission.

Identity card is the property of the Institute and is to be surrendered to the institute after its expiry/leaving the institute whichever is earlier.

### Attendance

As per rules of the University, a student is allowed to appear in the University semester examination only, if he/she has attended a minimum of 75% of scheduled lectures and practical in individual subjects. Defaulters are not allowed to undertake the University examinations accordingly.

Notwithstanding the above, it is desired that the students attend maximum scheduled classes in their own interest. Attendance in seminars, conferences, NSS activities & all college functions is mandatory. Absenteeism of any kind from academic/ extracurricular engagement will invite penalty to the tune of decision taken by the college authorities in this regard. This will be utilized to reward/award regular students.

### Computer/Engineering Laboratories

The Institute has several state of the art computer/Engineering labs for the students. The computers are of latest configuration & are networked with internet facility on dedicated leased line of 3 Mbps. Institute computers are

for academic pursuits, knowledge advancement and research use. Personal E-mailing, Chat and Games are not permitted.

No personal floppy disks, CDs or USB Memory sticks are allowed in computer lab. Unauthorized and illegal copying of any licensed software is strictly prohibited.

Students are forbidden to disturb any existing laboratory settings. Defaulters will be disallowed use of laboratory facility & financed penalty may be imposed if any intentional damage is caused either to hardware or software.

### Library

Only valid Smart Card Holders or Library Account Holders will be eligible to use the library facility. Books will be issued only on production of Smart Cards. In case a card is lost for the first time, duplicate card will be issued on formal request along with a fine of Rs. 100/-. Second time loss of Smart cum Library Card will invite a fine of Rs. 200/- for issue of new card. Thereafter card will be issued only at the discretion of the director. A Maximum of two books / old periodicals / old newspapers will be issued to students and teaching/non-teaching staff for 14 days at a time. Books may be renewed consecutively two times after initial issue i.e., a book can be kept for a maximum of 42 days provided (i) the book is physically presented for renewal & (ii) Demand for the book is not pending in the reservation register. A borrower failing to return the book by due date will be charged late fee of Rs. 5/-

per day for first three days and then Rs. 10/- per day for subsequent period including holidays. The fine will not be exempted even if the delay period includes Saturdays/Sundays/holidays. If the book is not returned within 15 days, the library facility will be withdrawn from the member and member will have to pay 2 times the printed prices of the book failing which he / she will not be allowed to undertake the ensuing semester examination. Use of Mobile phones or pagers is prohibited in the LRC & will be switched off while being in the library. Smoking, eating and drinking beverages etc is not permitted inside the library. Silence will be observed in the library It is the responsibility of all library members to not only acquaint themselves with the library rules but also assist the library staff in maintaining necessary decorum inside the library premises. Ignorance of rules by members will not be accepted as an excuse for any breach.

### Code of Conduct

Students must be seated in the classrooms before the start of the lecture. No student shall enter the class or knock the door after 5 minutes of the start of the class. No break shall be permitted during the lecture unless absolutely necessary. No students shall be loitering near the classes once the classes are in progress. Regular attendance in the classes including during guest lectures is compulsory. Use of Mobile Phones and Pagers is prohibited in the classrooms, Laboratories and seminar hall. Food, beverages and any type of drinks are not permitted in the lab/class rooms. Every student will submit assignments, present papers, projects, case analysis etc. as per periodic directions. Students have to adhere to formal dress code as stipulated by the Institute. T-Shirts/Jeans, Sneakers, Kurta Pajamas, shorts & Patkas are not permitted in the Institute. On all Mondays, Students will put on college neck ties/scarfs. Students not adhering to dress code will be liable to financial penalty. Misbehavior, persistent disobedience, frequent absenteeism, habitual late coming, consumption of drug or liquor in the institute/hostel, cheating in the examination and any act unbecoming of a professional student shall be considered as serious and will invite disciplinary action including expulsion from the institute/hostel. The institute reserves the right to exercise such an option unilaterally.

### Prohibition of Ragging in CIET

Ragging in CIET is strictly banned in pursuance of the derivatives from Hon'ble Supreme Court of India, UGC New Delhi & PTU, Jalandhar. Hon'ble Supreme Court of India Orders No. SLP No. 24295/2004, UGC Letter No.
