3. Who in your community has brought about a significant change in you/ your worldview? If you prefer, you could describe a specific incident that has similar effect.

YOU MUST ANSWER BOTH QUESTION 6A AND 6B.

6A. What do you think is the most important challenge facing your community today and what could you/ your peers do to address it?

6B. React to the images below. You could, for instance, tell us what you think the pictures are trying to communicate or you could tell us what you understand and / do not understand from it. *There is no right answer to this question.*

 A space shuttle is shown in the process of launching, with a large plume of fire and smoke coming from its engines. The shuttle is angled upwards against a dark blue sky with some clouds.	
 A formation of several small aircraft flying in a circular pattern against a blue sky with white clouds. The aircraft are leaving long, colorful trails of smoke in shades of red, blue, and white. The word "ZEPHYR" is written in a stylized font in the bottom left corner of the image.	
 A large commercial airplane is shown flying in space, with the Earth's surface visible in the background. The airplane is white with four engines and is angled towards the viewer.

Student and Parent’s undertaking:

I do hereby declare that the information provided as above is true to best of my knowledge & belief. I further accept and agree that I have thoroughly studied the website and understood and accepted that Recognition of the Course Qualification. I also agree that Registration & Evaluation Fees, Academic Fees, Training Fees, Examination Fees, and Certification fees are not refundable neither adjustable nor transferable once I have been granted admission in IIAE, Near Dehradun Airport, Dehradun-248140, Uttarakhand, India. This is further to accept that any legal problem arising will be solved at honorable court of Dehradun only and not elsewhere.

having read the literature/ Website (www.iiadedhradun.org) carefully, I am aware that IIAE a Course provider/trainer for overseas university and Awarding bodies.

I understand that failure to live up to the standards of the IIAE may lead to disciplinary action, including expulsion. These standards include respecting the culture and traditions of India and the people that live both within and outside of the institute campus.

I recognize the need for honesty and integrity will strive to live in peace and harmony with all other persons in the IIAE community. I understand that students of IIAE are required to adhere to the IIAE Code: "I will encourage every member of the IIAE Community to faithfully uphold the Honor Code"

I understand that bullying, gambling, drug abuse, smoking, alcohol consumption, and sexual immorality are forbidden and will be treated as serious offenses.

RULES & REGULATION:

- They are expected to behave as good civilized citizen.
- Student can go for outing on gazetted holidays, Sunday & after 2'o clock on Saturday, they must completely fulfill register in guard room.
- If any mishappening happens after working hour of Institute outside the campus, students will be responsible for themselves. Students will leave the hostel premises at their own risk and responsibility. No warden will accompany them outside the campus.
- Student can go home after giving application to the principal or Director Sir in institutes holidays.
- Due to any reason if their parents want their child at their own place they must send an application by email or by fax.
- No smoking, no drinking is allowed within the campus.
- They must follow the mess rule & timing:
Morning time: 6:30 onwards
Breakfast: 8am to 9am
Lunch: 2pm to 3 pm
Evening Tea: 5pm to 5:30pm
Dinner: 8:30 to 9:30 pm
- Leaving of hostel boys or Girls for outing or meeting with parents is the sole responsibility of students and IIAE Dehradun is no way responsible for any mishappenings.
- Students leaving the hostel (During Holidays) have no right to lock the room and if it is found, lock will be broken and no responsibility will be taken by IIAE Dehradun.

I further agree and accept that the course I have selected and filled up in the registration form, its recognition well understood and accepted as given in the hand book or web site.

Having read the above statement carefully, I will give wholehearted support to these rules and goals if I am admitted as a student to IIAE.

IMPORTANT NOTES:

IMPORTANT NOTES BEFORE CHOOSING THE COURSE QUALIFICATIONS:

1) All the payment should be in form of Bank Demand Draft favoring to "IIAE" Payable at Dehradun or by Cash. At par Cheques are acceptable.

2) IIAE is approved centre of Government of United Kingdom Awarding Body/WCU and in Partnership with number of colleges and University around the Globe. IIAE is also affiliated with West Coast University Central America Panama, IIAE is in Partnership of University of Highland & Island Scotland a Government of United Kingdom University, IIAE is in Partnership with Northwestern Michigan College USA, IIAE is in Partnership with the City of Bristol College United Kingdom, IIAE is listed in the United Nation officer of Outer Space Affair Educational Directory, IIAE is a private institute.

3) All Exam and assessments are conducted IIAE premises by awarding bodies/University. The certification for study at IIAE is done by the awarding body/University as a full time and formal education.

4) Hostel Facility may made available on request basis and student need to pay one year's complete fees in Advance.

5) Hostel Accommodation is in campus @ 6000/- per month (with food and sharing basis).

6) Any fees changes student need to bear it without any excuse.

7) Registration, Evaluation, Seat booking, Academic, Training, examination, registration fees are not refundable neither adjustable Nor transferable.

8) Progression to UK University/College for Third year of BEng/ BEng (Honours) Degree is awarded by UK University/College. Similarly progression to USA, Canada or Australia, Degree is awarded by individual University of Country.

9) IIAE DEHRADUN is a Course provider.

10) All Qualifications are recognised worldwide for all the Airlines and Manufacturing (Aircraft), Design Company, Production Company and European Union and number of Countries around the Globe. Also the equivalency can be applied by the students to AIU for full time on campus studies overseas as per AIU norms. This is further acceptable to all the Airlines/ Manufacturing/ Design companies around the Globe and internationally recognized by the number of countries' Government and their accrediting agencies/ Universities. These qualifications are useful for immigration, higher study, employment in overseas countries only, students may even work with Airlines in India having the Aircraft Engineering Qualifications with EASA 66. The student seeking the recognition from Indian government should apply individually as per the norms and conditions as per laid down by the government of India and its equivalency department. The acceptance is up to Govt. Agencies/ Universities for equivalency, IIAE is nowhere involved in this process. IIAE is not a parameter for equivalency/ recognition procedure. Students are individually to find the recognition from Govt of India. As per the current listing qualifications are not listed under AICTE, HOWEVER Membership of Professional society of London are accredited by The Institution of Engineers India, Indian Institute of Science Bangalore and many more professional bodies of India. This is further listed in the book of equivalence of Foreign Education of Association of Indian Universities. Qualification gained as the Aeronautical/Aerospace/ Computing/Mechanical from UK Universities entitle the student to have the Membership of The Royal Aeronautical Society, Institution of Mechanical Engineers London which is recognised in India by the Government Department. BS Degree of West Coast University is recognised in number of countries and list can be found from the web site of West Coast University Panama, However BS Degree is not recognised by the Government of India Ministry of HRD OR All India Council for Technical Education OR Distance Education Council OR Association of Indian University or any Government Agency in India.

11). All the student need to pay individually UK/USA fees in GBP /USD as per the college/university norms which keeps on changing from time to time.

12) All the programmes conducted at IIAE Dehradun campus only are not recognized by AICTE or UGC or Distance Learning Accrediting Body or Any Government Agency. However it is recognized in entire Europe and other countries for jobs/employments and Higher Study.

13). IIAE conduct the UK Government awarding body/WCU Courses as full time and formal education to students to Progress in UK/ USA/ Canada/ New Zealand/ Australia Universities and other universities of Europe and other Universities of the Europe.

14). West Coast University Bachelor Degrees/Advance Diploma or Diploma are not recognised by the Government of India or Its Accrediting Agency such as AICTE or UGC or AIU. However this is recognised in the number of countries and student can see the web site of West Coast University by searching on Google.

15) Study work permit/Work permit/Permanent Residency is matter of concern of Individual country, its agency and its colleges/ University. IIAE Dehradun has nothing to do with this fact.

16) Only those students need apply to IIAE Dehradun, who have strong desire, determination, flare and motivation to gain internationally recognised Qualification from world ranking university; and wish become self dependent during study at overseas university on completion two years of study at IIAE. IIAE Dehradun takes the full responsibility to develop the skills, ability, and adaptability as per the required European Standard of Study. IIAE Dehradun campus is not a hi-fi campus and is located in semi-urban area close to Jolly-Grant Airport Dehradun. Campus is 26 km away from Dehradun city. The Foundation Degree (BTEC HND) level qualification completed at IIAE Dehradun is from Government of United Kingdom Awarding Body and is recognised for jobs and progression to University level in more than 100 countries. Student can continue third year in overseas University/College for BEng (Honours) Degree in Aeronautical Engineering, Aeronautical Engineering, Aerospace Engineering, and Mechanical Engineering. Further they can continue Master in Engineering in said branch to world ranking University with further progression to Doctorate Degree. Students get opportunity to work with top Aircraft Manufacturing Company, Aeronautical and Aerospace Design Company around the globe with access of high salary. There are number of benefit which cannot be compared with traditional study. The further details can be known with prior appointment with the Director. IIAE Dehradun has its own admission procedure based on foreign university pattern. It has nothing to do AIEEE, JEE or any state government entrance examinations.

17) To see the IIAE Dehradun facility and details students/parents need to click on infrastructure in the web www.iaedehradun.org as number of photographs and facility shown in the web is from partner/associated institutions and a place of visit overseas.

18) FHA has been merged with IIAE Dehradun with its all qualifications on management, computing etc.

19) Admission is based on first come basis for those students who have registered and book the seat by payment of Rs.15,000/-(Fifteen Thousands only) (Non refundable in case admission is granted and refundable in case admission is not granted). Such student should send the application form with Demand draft of Rs.15,000/-(Fifteen Thousands only) favouring "*Indian Institute of Aeronautical Engineering*" Payable at Any Nationalized bank at Dehradun or By Direct account transfer, The account details is available in the application form.
