

MONAD UNIVERSITY

Established by UP State Govt. Act 23 of 2010
& U/S 2 (f) of U.G.C. Act 1956

BE WHAT YOU WANT TO BE

A WARM WELCOME From the Board of Directors

Monad University established in NCR is one of its own kind in North India, encouraging three objectives that are 'personal growth', 'efficacy in life', and 'public welfare'. The university has been established with a commitment to provide a friendly atmosphere to the students where they can learn freely, find solutions to the day-to-day challenges of life and prosper to become the leaders of coming generation.

Monad University, a promising university offers a great opportunity to the prospective students seeking growth in their career with the range of their scads of courses.

The university has also been intended to promote fineness in teaching, academic development, as well as research. Experts from the varied domains have been thoroughly screened, selected, and brought together to shape up the careers of the prospective students and instil in them the best of the domain. Monad University aims to achieve a global acclamation, besides creating a name for itself across the globe, by offering facilities of international standards to the students.

Multidisciplinary research forms the core of the university. Furthermore, Monad University understands the needs of an individual to live a dignified life, and thus works towards offering the same.

We wish you every success in your studies and hope to welcome you to the Monad University Community.

MONAD UNIVERSITY

Established by UP State Govt. Act 23 of 2010
& U/S 2 (f) of U.G.C. Act 1956

BE WHAT YOU WANT TO BE

Hostel

We understand that most of our students are moving out from home for the first time, so we strive to make the transition as smooth as possible by offering comfortable and safe hostels within the campus. The University Campus provides a comfortable hostel for the students (Boys & Girls) each having capacity to accommodate 600 students.

Hostels have been designed to accommodate students as per their choice in a single bedded cubicle room, double bedded and triple bedded room. Each room has been provided with an almirah, table, chair and a cot. Water heaters, water coolers and water purifiers are provided in the hostels. University hostels have a common room facility for TV watching and indoor games facility and a dining hall having ample space.

University Canteen can accommodate 400 people at a time for breakfast, lunch, dinner etc. with separate arrangement for teachers, staff, students, and visitors.

University provides a pollution free environment to the students.

Bank

A proposal for opening a branch of a nationalized Bank and a 24 hour ATM has been submitted and is under active consideration of the Governing Board of the Bank. It is expected to be provided in the University Campus during this session.

Lateral Entry

Lateral entry to various courses is regulated as per University norms.

Semester Schedule

1st Semester starts in July and ends in December.

2nd Semester starts in January and ends in June each year.

Fee Payment Schedule

Students will be admitted only after receipt of full fee at the time of counselling.

1. The fee shall be paid either in cash or by Demand Draft in favour of Monad University Pilkhuwa (Hapur).
2. Delayed payment of fee will attract fine as per the rules and regulations of the University.
3. Fee Deposited, will not be adjusted or refunded in any circumstances. Every student is required to attend the classes regularly and maintain punctuality at the hours notified for lectures, demonstrations, practical tutorials, tests and clinical classes if any. No student shall be allowed to appear in the examination of the concerned subject conducted by the University if his/her attendance falls short of 75% in theory and 80% in practical/clinical classes.
4. Students not attending the classes/lectures shall have to pay fine of Rs. 50/- per lecture.

Training and Placement Cell

Training and Placement Cell is an integral part of the University. Monad University has provided complete infrastructure for effective functioning of the cell. Training activities are organized throughout the year in an effort towards preparing the prospective students for the campus selection programmes. The cell keeps a close liaison with the industrial sector and reputed firms and invites senior and experienced R&D faculty from various industrial houses for close interface and campus recruitment. The cell is sensitized to function all through the year towards generating placement and training opportunities for the students. Reputed industrial houses across the country visit the University regularly for the campus recruitment programmes. The placement cell coordinates quite well with the corporate sector and provides well developed infrastructure to facilitate the campus selection programmes. The cell maintains a very cordial relationship with all the recruiting industries and also prepares the recruited candidates to face the competitive world.

The difference between who you are and who you want to be is what you do
