" Modern science and techniques have fallen short of their inherent possibilities, they have However taught mankind at least one lesson: Nothing is impossible."

Lewis Mumford

**INFORMATION BROCHURE (2014-15)**

# CHAIRMAN'S MESSAGE

Dear Students,

I am delighted and privileged to introduce you to this temple of learning Nandini Nagar Group of Institutions, an institution of learning and developing young minds and their carrier. In today's fast growing, modernized and industrialized era engineering holds a very prominent place. Some students are not getting the opportunity of availing a proper and formal education in this field due to certain hurdles. To overcome this aspect, we have established an engineering and management institute in Gonda. I heartily welcome the students seeking admission in our college.

I sincerely wish and hope that the education provided by Nandini Nagar Group of Institutions would prove to be a noted milestone in their career.

Best of luck all of you!

Founder and Manager

## DIRECTOR'S MESSAGE

Dear Students,

The Technical Education system in India is on an unprecedented stage of transmission. The primary reason for lack of higher education, especially in the field of technical education is poverty and under development. The national capacity of technically trained workforce will increasingly depend on the quality & academic level of our engineering institutions. Nandini Nagar Group of Institutions have been set up with the same ambition. We are determined to provide high quality education in the modern areas of engineering & technology with innovative & effective techniques.

The academic program incorporates extensive teacher-students interaction, projects, and personality development programs in addition to academic schedule .

With this approach, I welcome the students to join courses at Nandini Nagar Technical Campus, Nawabganj, Gonda, U.P.

**Prof. A. Singh**

# VISION

VISION of this institute is to become a leading institution in Engineering and Management with development as centre of excellence and to nurture and produce high quality engineer, managers and qualified professionals with sufficient knowledge and skills. right attitude, determination and leadership qualities to serve the society, the nation and mankind in conformity with vision 2020 plan propounded by our ex-president his excellency professor A.P.J. Abdul Kalam.

# MISSION

- To achieve the excellence in a importing technical education.
- To strive to inculcate a sense of integrity and high sense of responsibility amongst students.
- To ensure that the darkness of ignorance is illuminated by the light of education and knowledge.
- To nurture and hone the talents of students in their blossoming as future elite citizen.

## GOALS & OBJECTIVE

- To ensure students are well equipped with necessary technical skills to meet global standards
- To inculcate sincerity and urge to serve society and the country as well.
- To develop system and environment with a view to motivate the students to pursue their studies in conducive manner.
- To make the institution an ace institution which is regarded as a temple of learning.
- To guide and promote the positive thinking, self confidence and leadership amongst the students.
- To provide ample opportunities to the faculty, staff & students of the institute for their professional development.

## CAMPUS HIGHLIGHTS

It is situated in very peaceful & pollution free environment surrounded by greenery at Nawabganj, Gonda (U.P.)

## A GLIMPSE OF GROUP OF INSTITUTIONS

### Campus Highlights

- Spread over a land area of 37 acres
- Hi-tech Class Rooms
- Innovative Laboratories
- Lecture Theaters
- Workshop and Seminar Hall
- Tutorial Classes
- Canteen and Mess
- Stationery Shop Inside the Campus
- Wi-fi Campus
- Book Bank
- Separate Hostel Facility for Boys and Girls

### Self Development Programme

- Soft Skills Development
- Meditation Classes
- Art of Living
- Personality Development Classes
- Stress and Time Management Classes
- Outdoor and Indoor Games and Sports
- Faculty Development Programme
- Industry Tours and Interaction with Engineers and Entrepreneurs

### Other Facilities

- Conveyance
- Internet
- Sports
- Gymnasium

# COURSES OFFERED

## FACULTY OF ENGINEERING

### Bachelor of Technology (B.Tech.)

Duration - 4 year programme

1. Electronics & Communication Engineering - 60 Seats
2. Computer Science & Engineering - 60 Seats
3. Electrical Engineering - 60 Seats
4. Civil Engineering - 60 Seats
5. Mechanical Engineering - 60 Seats

## POLYTECHNIC

Duration - 3 year programme

1. Diploma in Civil Engineering - 60 Seats
2. Diploma in Mechanical Engineering - 60 Seats (Production)

## FACULTY OF COMPUTER APPLICATION

### Bachelor of Computer Application (BCA) 60 Seats

Duration - 3 year programme

## FACULTY OF MANAGEMENT

### Master in Business Administration (M.B.A.) 60 Seats

Duration - 2 year programme

### Bachelor of Business Administration (B.B.A.) 60 Seats

Duration - 3 year programme

### PGDM

### 60 Seats

Duration - 2 year programme

## FACULTY OF PHARMACY

### Bachelor of Pharmacy (B. Pharma)

Duration - 4 year programme

### Diploma in Pharmacy (D. Pharma)

Duration - 2 year programme

## ADMISSION PROCEDURE

- ▶ Admission in B.Tech, B.Pharm & MBA courses is governed through UPSEE conducted by GB Technical University, Lucknow as per U.P. state government norms.
- ▶ Admission in Polytechnic and D.Pharm is governed through joint entrance examination conducted by Joint Entrance Examination Council Lucknow.
- ▶ The college in various branches takes direct admission in management quota under guidance of GBTU.

# INFRASTRUCTURAL FACILITIES

## Campus

The campus is well developed having latest facilities & modern amenities. The formal and harmonious campus life offers opportunities for the students to pursue their studies and research work as well as various extra curricular activities. A central library is the heart of an institution. It helps, promotes & co-ordinates the teaching & academic scenario in the campus. The well-appointed campus facilities at NNTC serve the manifold needs of NNTC community life. It is accepted here that exploring the full potential of student life needs to incorporate parallel methods of learning with provision for complete self-expression. The campus has vast expanse of green dotted with facilities for cultural, recreational and sports activities. The campus is in every sense a melting pot for diverse interests, influences and cultures that blend to create the unique strength that represents NNTC.

## Central Library

Central library of the institute has a selection of more than 35000 books of indian & foreign authors with approximately 5000 titles. There are more than 300 journals of national & international edition. The library is fully air conditioned with internet connection for accessing E-journals and other sites of interest. There are large number of books in the reference section is augmented regularly with latest arrivals. The library is an exclusive member of DELNET.

## Central Computing Facility

Computer training being the integral part of modern days educational process, the institute provides excellent computer facilities for hands on training. There are four computer labs as part of central facility in addition to exclusive CAD/CAM labs in electrical & mechanical department & MAT lab for electronics & communication department. There is also dedicated lab for MBA.

1. There are more than 700 internationally branded. P-TV personal computer platforms equipped system with the latest licenced application software.
2. A set of integrated servers deployed in a fully networked configuration based on the latest concepts of server computation.
3. 24 hours internet connectivity by leased line.

## Language Lab

Full - fledged language labs equipped with latest RENET software packages are available or developing students proficiency in english language and communication skills.

## Hostel Facility

The college is planning to become a fully residential institutions hostlers are provided with the messing facility on virtual cost basis. The Hostel campus is well furnished a fully equipped. With amenities like generator set, round the clock water & electricity supply, common hall, reading room, telephone, indoor & outdoor games facilities, block servant in each block.

Hostel mess are managed by nominated students representatives under the overall supervision of superintendent. Apart from this free internet is available in hostel & PC is provided to the pre final & final year students.

## Medical Facility

Medical facility is available round the clock by the visiting doctors from the neighboring hospital with which the institute has signed the MOU.

## Transport Facility

Day scholars can avail themselves the facility of institute bus services, running from various parts of the city

## Additional Facility

For the convenience of the students, the campus also has set-up facilities like PCO, Canteen, stationery shop

## Students Life A Welfare

The pre-requisite for making students life meaningful requires a balance Between educational and entertainment activities.

- Dance Programmers
- Music Programmers
- Personality Development Workshop
- Quizzing
- Freshers Night
- Industrial Visit
- Debates
- Mock Interview
- Group Discussions

## ■ Departments

The institute is having these following dedicated and self sufficient departments to conduct different educational programme.

### ■ Computer Science and Engineering

Computer Engineering offers a wide range of challenging job opportunities. Global excellence in research, teaching and technology development is the vision of the department. The strict nature of the discipline is also one of the most important factors that have contributed substantially to its popularity among students.

#### Various Laboratories

- Web Programming Lab
- Linux Lab
- Software Engineering Lab
- Advanced Programming Lab
- Advanced Programming Lab
- Multimedia Lab
- Computer Graphics Lab

### ■ Electrical Engineering

Electrical Engineers are working today in all areas of our modern information society. Buzzwords such as the internet and the cellular phone, communication and navigation satellites, high performance computers, power plants and high voltage networks, renewable energy and robotics in all these fields research, development and production innovation was strongly influenced by electrical engineers in responsible positions. Employment perspectives are excellent as not only in India, but also in Europe and the United States of America, where there is a shortage of qualified electrical engineers. From the production of power in power plants and the distribution in high power networks to the customer with his PC, in his house hold or office, it is electrical engineering that influences our daily life in most pleasant ways.

The department gives its full support to the students so that they turn out to be the best engineers with flying colors in their lives.

## Various Laboratories

- › Electrical Machines Lab I
- › Electrical Measurement Lab
- › Control System Lab
- › MATLAB Programming Lab
- › High Voltage Engineering Lab
- › Power System Modelling & Simulation
- › Power System Lab
- › Power Electronics Lab I
- › Power Electronics Lab II
- › Electrical Machines Lab II
- › Advanced Power Electronics Lab
- › Electrical Circuit Lab
- › Electrical Drives and Control Lab

## Civil Engineering

Civil Engineers use the most sophisticated technology and the latest concepts in computer-aided design (CAD) during design, construction, project scheduling and cost control. The opportunity for creativity is endless because civil engineers are problem solvers, meeting the challenges of pollution, deteriorating infrastructure, traffic congestion, energy needs, earthquakes, urban redevelopment and community planning. For every infrastructure project there is a civil engineer to provide a custom design.

## Various Laboratories

- › Fluid Mechanics Lab
- › Civil Engineering Material Lab
- › Concrete Lab
- › Surveying Lab
- › Geology Lab
- › Computer Aided Building Design Lab
- › Road Materials Testing Lab
- › Material Testing Lab
- › Structural Engineering Lab
- › Water Resources Engineering Design Lab
- › Hydraulic Lab
- › Engineering Mechanics Lab

## ■ Electronics and Communication Engineering

Electronics plays an important role in every sphere of life. The department comprises of state-of-the art well equipped laboratories with the most sophisticated instruments. The increasing pace of development in electronics, audio and video communication system and automation in Industry have made Electronics and Communication Engineering catalyst for the change in modern society. The programme strive to build a new generation of engineers who can innovate in field like Embedded Technology, VLSI, Digital Communication, Digital Signal Processing and Advanced Programming Languages.

### Laboratories

- Advance Electronic Lab
- Digital Electronics Lab
- Power Electronics Lab
- Communication and Fiber Optics Lab
- Project Lab
- PCB Designing Lab
- Signal Processing Lab
- Mat Lab
- Microwave and Antenna Lab
- Electronic Measurement Lab

## ■ Mechanical Engineering

The Mechanical Engineering department is considered as the heart of the institute. The strength of the department is the highly qualified faculty which guides the students during the programme. A mechanical engineer designs, develops, operates and maintains systems required for all what happens in industry whether in a power plant, space & nuclear establishment, steel plant, military establishments or automobile industry, etc.

### Laboratories

- Machine lab
- Mechanical Workshop
- Thermal lab
- Vibration lab
- I.C. Engine lab
- Material Testing lab
- Measurements and Metrology lab
- CAD lab
- Kinematics and Dynamics of Machine lab
- Heat Transfer lab
- Material Science lab

## ■ **Master in Business Administration (MBA)**

The basic purpose of MBA programme is to bring in behavioural change among the students, to develop their leadership qualities and finally to mould them into competent managers to handle resources optimally and to take effective decisions to achieve organizational goals.

This two year full time course, affiliated to Gautam Budha a Technical University (GBTU) Lucknow, is divided into 4 semester. The subjects covered in each semester are designed so as to equip students with modern management concepts & technical issues with emphasis to relate it to real life situations. The training is imparted with specialization in Human Resource Management, Marketing Management, Finance Information Technology Management and International Business.

### **Selection Procedure**

Selection to the programme is based on UPSEE noms. The candidate must register at NNTC through and application form, which cab be obtained from the institute campus or download from the institute website : [www.nandinicampus.edu.in](http://www.nandinicampus.edu.in)

### **Eligibility**

A minimum of 3 years Bachelor degree or equipment in any discipline recognized by UGC with 50% marks

## ■ **PGDM (2 YEAR) 60 SEATS**

## ■ **Bachelor of Business Administration (BBA)**

This course is recognized by the Dr. Ram Manohar Lohia Awadh University, Faizabad (U.P.)

### **Eligibility**

A candidate must have passed Intermediate examination or (10+2) level examination from any recognized board.

## ■ **Bachelor of Computer Application (B.C.A)**

This 3 years course is recognized by the Dr. Ram Manohar Lohia Awadh University, Faizabad (U.P.)

### **Eligibility**

A candidate must have passed Intermediate examination or (10+2) level examination with PCM group from any recognized board.

## NANDINI NAGAR MAHAVIDYALAYA COLLEGE OF PHARMACY

### The College:

Nandini Nagar Mahavidyalaya College of Pharmacy (NNMCOP) is one of the pioneer institutions of pharmaceutical education in Poorvanchal part of U.P. It had already produced 9 batches of B. Pharm. in the service of nation. It has been established in year 2001. Since inception it is counted one of the prominent colleges of pharmacy. It is identified as the nodal centre by Gautam Buddha Technical University Lucknow for four districts, namely, Baharaich, Balrampur, Faizabad and Gonda. The college is included in the panel of elite study centre for pharmaceutical education in U. P. the college is able to shape the career of the generated neo-pharmacists via achieving their 360° development in performance, intelligence and personality. The college aims high to step ahead for starting post graduate program in Pharmaceutical Analysis & Quality Assurance along with strengthening the research activity.

### Courses Offered

#### D. Pharm. (College Code-237)

This course is of two years in duration and it is affiliated to Board of Technical Education, Uttar Pradesh, Lucknow. It is aimed to cater the growing need of community pharmacists in U.P. and other states of India. As per the statistics more than 2 Lakh community pharmacists will be required in India every year in only organized sector, likely, almost twice will be required in the unorganized private sector. In Uttar Pradesh pharmacists are handling most of the medical work due to deficiency of doctors in rural area.

#### B. Pharm. (College Code-118)

This course is of four year (08 semester) duration and it has high potential of employment and entrepreneurship in India and abroad. Major avenues of employment are sales promotion, manufacturing, quality control, storage, and sale of pharmaceuticals & medicines and cosmetics. Apart from pharmaceutical industry they are also employed as pharmacists in hospitals, clinics and community pharmacy for pharmacy practice and they take significant part in pharmacovigilance and clinical trials. After post graduation the post graduate pharmacists find additional in academia, super-specialist hospitals, clinics and community pharmacists, pharmaceutical, biotechnological, process chemistry research along with the field of drug discovery and development.

## Director

The college is led by well known pharmaceutical educationist Dr. A. K. Shrivastava. He has done B. Pharm., M. Pharm. and Ph. D. from Dr. Hari Singh Gaur University. His wide experience of more than three decade of industry and academia is an asset to the college. His dynamism and student friendly attitude allows all the students to approach him whenever needed. His suggestive criticism rectifies the student to become a true professional in his career.

## The Faculty

All the faculty members are dedicated to dynamic vision put forward by the Management. The faculty is a proper blend of experience and enthusiasm. The faculty is distributed into five departments, namely, Diploma, Pharmaceutics, Pharmacology, Pharmacognosy and Pharmaceutical Chemistry departments, these departments are headed by Mr. S. K. Pandey, Mr. S. K. Gupta, Mr. Vipin Singh, Mr. P. K. Gupta and Mr. A. K. Pathak respectively. All the departmental heads take personal care of individual student. Each faculty member counsel fifteen students and also act as local guardian for them.

## Strides Ahead

The satisfaction is enemy of growth, thus, college has further plans to step up towards post graduate studies, research and establishment of Pharm. D. and Drug Information Centre. It has futuristic vision to link itself with in-house pharmaceutical industry and in-house hospital to cater a full package of health to the people of poorvanchal in general and Gonda in particular. With such developments we are sure to become centre of excellence in India.

## SPORTS & CULTURAL ACTIVITIES

Both indoor & outdoor sports activities are conducted at regular intervals for students to maintain their physical fitness essential for them to perform their best in academics also. The institute has dedicated sports complex for student to play Football, Cricket, Lawn Tennis, Volley ball, Basket ball, table tennis and Bad minton, etc. The institute has a grand & spacious auditorium. The cultural activities are carried out at regular interval without affecting academic programs.

## Training & Placement

The institute has a very energetic & experienced placement officer Mr. V.C. Tiwari who has a versatile interactive relationship with the industry. The training & placement cell is very active to arrange the summer training to M.B.A., B.B.A. & BCA students. The college prepares students personality through various personality development programme which help students to improve overall personality. Special classes run for personality development to improve English, proficiency & overall personality. The various companies interacting with us are more then 300 prominents among them are. :-

- 
- Infosys Technology
  - Telco
  - Quarbz abb.
  - Tisco
  - VIPRO
  - Tata Telecom
  - Airtel
  - Inflex Solution
  - Reliance Infocom
  - Kirlosker
  - Wipro system
  - Iffco
  - Areva
  - HCL
  - L&T
  - Bajaj Auto
  - TCS
  - CIPLA
  - RANBAXY
  - HIMALAYA
  - SUN PHARMA

### For Registration / Admission

# MEMORIES

## INAUGURAL CEREMONY OF NANDINI NAGAR TECHNICAL CAMPUS

Hon. Akhilesh Yadav (Chief Minister, Uttar Pradesh), Nov. 09, 2012

# DEPARTMENT OF SOCIAL WORK (MSW)

By visualizing the growing need of professional courses, Nandini Group of Institutions has laid the foundation of Masters of Social Work (popularly known as MSW) in 2007.

Since its inception, the department has got special distinction of providing 100% placement assistance to its students. And it speaks loudly in the placement results of the students. Our passed out students are engaged in various International, National, and State level Governmental and Non-Governmental Organizations holding various key positions. Some of the international organizations where our students are placed in UNDP, UNICEF, WHO, PSI, MI, ACTION AID, CARE and in various national level program like NRHM, MNREGA, NRLM, SSA, SSD, NACO, SACS, WDC, BCC and also in industries like BAJAJ Sugar Miles, Nirwan Clothing Company, Hindustan Latex Ltd., Paper Miles, Parle Agro and in hospitals.

## Careers Prospects

After completing the prestigious MSW course, a lot of career opportunities are for the students:

Sr. No.	Field	Department	Designation
1	Industries	Human Resource	HR Manager, Labour Welfare Officer, Supervisor
2	Government Non Government	Central Welfare Board	Social Welfare Officer
		Labour Dept.	Labour Enforcement Officer
		Correction	Correctional officer
		Social Security	Social Security Officer
		Hospital	Psychiatric social Worker, Counsellor, child care officer
		Teaching	Professor,
		Legal	Paralegal Volunteer,
		Rural Development based	Director, Assistant Director, Manager, Coordinator, Field Supervisor,

## Course Details

Master of Social Work (MSW)

Sr. No.	Specialization	Seats
1	<b>Labour Welfare and Human Resource Management</b> I. Trade union, Industrial Relations and Human Resource Management II. Labour Welfare, Social Security and Labour Legislation	40
2	<b>Health Care System &amp; Medical and Psychiatric Social Work</b> I. Dynamic and Dimensions of Health II. Health Care System	20
3	<b>Family Centered Social Work Intervention</b> I. Women's Empowerment and Children's Development II. Development of youth and welfare of the Aged	30
4	<b>Rural Reconstruction and Urban Development</b> I. Rural Reconstruction and Urban Development II. Urban Planning and Development	40
5	<b>Correctional Social Work</b>	20
