

“Essence of Wisdom is Service to Humanity”**Vision and Mission Statement**

Our vision is to instill the idea of ‘service to humanity’ in the young Khalsites; maximize their civic and sensitivity quotient and uphold the Ambedkarian ideal by making education accessible to students of the lower socio-economic strata. Our mission is to impart quality education to students, moulding their holistic development and igniting young minds to foster the spirit of humanism is sync with the teachings of Guru Nanak , helping them imbibe the ‘Essence of wisdom’ and develop secular outlook becoming harbingers of a new social order.

**The institute believes and practices Guru Nanak Devji’s philosophy towards women,
reflected in the shabd, empowering women.**

ਮਃ ੧ ॥

ਭੰਡਿ ਜੰਮੀਐ ਭੰਡਿ ਨਿੰਮੀਐ ਭੰਡਿ ਮੰਗਣੁ ਵੀਆਹੁ ॥

ਭੰਡਹੁ ਹੋਵੈ ਦੋਸਤੀ ਭੰਡਹੁ ਚਲੈ ਰਾਹੁ ॥

ਭੰਡੁ ਮੁਆ ਭੰਡੁ ਭਾਲੀਐ ਭੰਡਿ ਹੋਵੈ ਬੰਧਾਨੁ ॥

ਸੋ ਕਿਉ ਮੰਦਾ ਆਖੀਐ ਜਿਤੁ ਜੰਮਹਿ ਰਾਜਾਨ ॥

ਭੰਡਹੁ ਹੀ ਭੰਡੁ ਉਪਜੈ ਭੰਡੈ ਬਾਝੁ ਨ ਕੋਇ ॥

ਨਾਨਕ ਭੰਡੈ ਬਾਹਰਾ ਏਕੋ ਸਚਾ ਸੋਇ ॥

ਜਿਤੁ ਮੁਖਿ ਸਚਾ ਸਾਲਾਹੀਐ ਭਾਗਾ ਰਤੀ ਚਾਰਿ ॥

ਨਾਨਕ ਤੇ ਮੁਖ ਉਜਲੇ ਤਿਤੁ ਸਚੈ ਦਰਬਾਰਿ ॥੨॥

: First Mehl :

From woman, man is born; within woman, man is conceived; to woman he is engaged and married.

Woman becomes his friend; through woman, the future generations come.

When his woman dies, he seeks another woman; to woman he is bound.

So why call her bad? From her, kings are born.

From woman, woman is born; without woman, there would be no one at all.

O Nanak, only the True Lord is without a woman.

That mouth which praises the Lord continually is blessed and beautiful.

O Nanak, those faces shall be radiant in the Court of the True Lord. ||2||

Introduction

Guru Nanak Khalsa College is one of the premier institutions of Mumbai, founded (1937) and managed by the Shiromani Gurdwara Prabandhak Committee (SGPC), Amritsar, Punjab. This is the first college to be established by the Community outside Punjab on the advice of the eminent social reformer and architect of the Indian Constitution, Bharat Ratna Dr. Babasaheb Ambedkar. The College has completed 76 years of its glorious existence.

The college is ideally located in the heart of an education zone surrounded by well known institutes and schools, fostering a spirit of learning. The college comprises both the Degree and Junior colleges. The Degree College is affiliated to the University of Mumbai and the Junior College to the Maharashtra State Board of Secondary and Higher Secondary Education.

Being a Sikh minority college, the College has an in house *Gurudwara* so as to nurture the values of *Guru Nanak Dev ji*. The college, however, retains its secular outlook as it firmly believes in the Sikh ideology of *oneness of Humanity* and prides itself on its cosmopolitan staff and student population and a healthy, secular atmosphere.

The academic year begins with the recital of '*Akhand Path Saheb*'. This is followed by '*Guru Ka Langar*' in which all the students partake, creating a sense of harmony.

Code of Conduct

With a view to maintain a healthy, constructive and disciplined atmosphere in the college, every student is required to observe the following rules of conduct.

- **Every sikh student who is admitted to the college is required to wear a proper turban. No admission form will be accepted without the student's photograph in a proper turban.**
- **The student will be liable for strict disciplinary action amounting to dismissal from the college, if the Sikh culture is defiled in any way.**
- The students are required to appear for all the college examinations. Absence from any of these may result in the terms not being granted and such students will be debarred from appearing for the University / Board examinations.

- The students are required to attend lectures and practicals regularly with punctuality. Action will be taken against those students who remain absent without a proper reason. If a student remains absent for more than 3 days consecutively, he/she is required to submit an explanation in writing from the parent/guardian to the Principal. Science students who fail to attend lectures are likely to be debarred from the practicals. The list of students who default in attendance will be displayed on the college notice board from time to time.
- Every student is required to wear his / her college identity card. Students without the identity card are not permitted to enter the college premises. The identity card becomes invalid if it is tampered with, by a change of the photograph or by an alteration of personal information.
- The college and its environs are deemed to be **mobile free zone** Mobile phones if any, shall be switched off on the college campus. If found using it, the student will be liable to have his/her mobile phone confiscated or will have to face any disciplinary action by the college authorities. Students are prohibited from carrying mobile phones into the examination hall. Carrying of mobile phones into the examination hall amounts to unfair means.
- **The college authorities shall not be held responsible for any loss / theft of the mobile phone or valuable articles.**
- Conduct of the students in the class as well as on the campus shall be such as, will cause no disturbance to fellow students, teachers or to other classes.
- Loitering within the college premises, talking loudly, whistling, etc. are strictly prohibited. Any student found creating any kind of disturbance in the college is liable for severe punishment including suspension / rustication
- Students should, in their own interest, read the notices displayed on a day-to day basis.
- **Consumption of alcohol, tobacco in any form and smoking are strictly prohibited in the college premises.**

- No association can be formed or funds raised or tickets sold or meetings held without the prior permission of the Principal in writing. Students must not indulge in political work on the college premises.
 - No notice can be put up without the written consent of the Principal.
 - Students are expected to use college property with care. Students causing any damage to the college property or laboratory equipment or books in the library are liable to pay a fine and make good the loss. The amount of fine to be levied will be decided by the Principal and his decision on all such matters will be final and binding.
 - No picnics, excursions, trips or social gatherings can be arranged by the students without the written permission of the Principal. Picnics may be arranged with the written consent of at least one Professor who will accompany the students and will give a written undertaking that he would be responsible for the safety and good conduct of the participants. Students are expected to behave with dignity and restraint during picnics, trips and social events in order to maintain the reputation of the college.
 - Parking of vehicles including bicycles, motor cycles, scooters, cars, etc. is not permitted within the college compound.
 - Though utmost care will be taken by the college, the parents have to submit an undertaking that no responsibility attaches to the college for any untoward eventuality.
 - Students should not communicate without prior permission of the Principal, any information, or write any information or write about any matter concerning / regarding the college administration to the Press / outside agencies.
 - If the continuance of a student in the college is detrimental to the best interest or discipline of the college, the Principal, may direct such a student to leave the college. The decision of the Principal shall be final and binding on the student.
 - **Students involved in any case of ragging will attract the prohibitions University Circular No. 2005/38/05-vs-1 dated 18.7.2007 and will be liable for cancellation of admission.**
- Students are prohibited from dressing explicitly in a manner that offends the norms of decency and decorum. Male students are explicitly forbidden from wearing shorts / three fourth pants. Female students are prohibited from wearing shorts / miniskirts / spaghetti tops.
 - Students joining the college are required to abide by all the rules, regulations and instructions that are issued by the College authorities from time to time and to submit to the normal enforcement of the same to the satisfaction of the college authorities, whose decision in all matters shall be final.

Curricula

Core-Curriculum

The college comprises both the Degree and Junior College. The Degree College is affiliated to the University of Mumbai and the Junior College to the Maharashtra State Board of Secondary and Higher Secondary Education.

The college offers in addition to Arts, Science and Commerce streams, vocational and self-financing courses viz. Minimum Competency Vocational Course (MCVC), Computer Science in the Junior College and Computer Science, Information Technology, Biotechnology, BMS, BMM, BAF, BBI & BFM in the Degree College.

Rules of Admission

Admission is granted solely on merit as per University / Government rules. Seats are reserved for the Sikh Minority community as per rules. Outstanding sportspersons and children of police/ defence/ ex defence personnel and from the handicapped category are given weightage. A special provision is made to enroll students from the developing countries of Asia and Africa.

Junior College

Eligibility Norms

First Year

Qualifying examination required: SSC examination of MSBSHSE or any other examination recognized as equivalent thereto.

Documents required: Original and attested xerox of SSC marksheet / School leaving Certificate / SSC Passing Certificate.

Remarks: Those passing the ICSE/CBSE or SSC of any other Board / University, have to submit the 'PROVISIONAL ELIGIBILITY CERTIFICATE' from the MSBSHSE, Final Eligibility Certificate is to be submitted by the end of the first term.

Second Year

Qualifying examination required : FY JC Examination of any Junior college recognized by MSBSHSE

Documents required : Original and attested xerox of FY JC marksheet.

Remarks : Students from other institutions will be required to submit their leaving / Transfer Certificate, Migration Certificate.

Vocational Stream

F.Y.J.C. Students can offer a Vocational Course in 'Electronics Technology' consisting of two languages (Two papers of 100 marks each), 'General Foundation Course' (Two paper of 50 marks each) and 'Electronics Technology' (Three papers of 100 marks each).

Students completing this course with 1st class can directly join second year Diploma in Engineering.

This course is meant for those seeking Self-Employment and Employment in the Electronics industry.

These students can also continue their higher studies in B.A., B.COM., B.SC., BMS., etc.

Courses Offered

1. FY JC/SY JC Arts

(A) Compulsory Languages

- a) English
- b) Environmental Education

Any ONE of the following

- a) Hindi
- b) Marathi
- c) Punjabi
- d) French

(B) Optional Subjects

Any FOUR from the following

- a) History
- b) Political Science
- c) Economics
- d) Logic
- e) Sociology
- f) Hindi (if not offered as a compulsory language)
- g) English Literature

The Maharashtra state board of Secondary and higher Secondary has introduced "English Literature" a new subject at the Junior College level.

The college offers this subject to students of XI and XII Std. of Science, Arts and Commerce.

This is an option to any optional subject in any faculty of learning in the Junior College. This subject can be offered by any English medium student.

This subject will be useful to students who want to do B.M.M. or B.M.S., Journalism, Advertising, English Literature.

For more details on this subject one may contact the English Department or Dr. Mrs. Lakhbir Kaur.

2. FYJC/SYJC Science

(A) Compulsory Languages

- a) English
- b) Environmental Education

Any ONE of the following

- a) Hindi
- b) Marathi
- c) Punjabi
- d) French

(B) Compulsory Subjects

- a) Physics
- b) Chemistry
- c) Mathematics & Statistics
- d) **Any ONE of the following**
 - i. Biology

| | |
|---|--|
| <ul style="list-style-type: none"> ii. Economics iii. Sociology (in the place of Mathematics/ Biology) iv. Bi-focal Electronics v. Bi-focal Computer Science | <p>equivalent thereto as per eligibility norms presented by Mumbai University on their website www.mu.ac.in.</p> <p>Documents required : Original and attested xerox of SYJC marksheet & proof of residence.</p> |
| <ul style="list-style-type: none"> • Students who have selected Bi-focal Electronics / Computer Science are exempted from studying the second compulsory Language. • Students Passing Intermediate Drawing or Technical Drawing at school level are eligible for 5 additional marks if they opt for Vocational subjects. | <p>Remarks</p> <p>Students from other institutions will be required to submit their leaving / Transfer Certificate /NOC. Those passing the HSC of any other Board/ University have to submit the 'PROVISIONAL ELIGIBILITY CERTIFICATE' from the University of Mumbai; Final Eligibility Certificate is to be submitted before the end of first term.</p> |
| <p>3. FYJC/SYJC Commerce</p> <p>(A) Compulsory Languages</p> <ul style="list-style-type: none"> a) English b) Environmental Education <p>Any ONE of the following</p> <ul style="list-style-type: none"> a) Hindi b) Marathi c) Punjabi d) French <p>(B) Compulsory Subjects</p> <ul style="list-style-type: none"> a) Book-Keeping and Accountancy b) Economics c) Organisation of Commerce d) Mathematics and Statistics / Secretarial Practice | <p>Second Year</p> <p>A student of F.Y. Arts and Commerce is eligible to take admission in S.Y.(Sem III) if he has cleared all the courses of Sem I and Sem II or has failed in not more than four courses in the Sem I & Sem II taken together .(However, the student should not fail in more than two courses in each semester.)</p> <p>A student of F.Y. Science is eligible to take admission in S.Y. (Sem III) if he has cleared all the courses of Sem I and Sem II or has failed in not more than six courses in Sem I and Sem II taken together but has failed in not more than three courses in each semester.</p> <p>The students who have cleared the first year ATKT examination are also eligible for admission to the second year as per University norms.</p> <p>Documents required: Original and attested xerox of the SY JC & First Year(Both Semesters or ATKT) mark-sheets & proof of residence.</p> |
| <p>4. FYJC/SYJC M.C.V.C.</p> <ul style="list-style-type: none"> a) Electronics Technology b) Marathi or Hindi c) English d) Foundation Course | <p>Third Year</p> <p>Qualifying examination required: Second Year Examination of the University of Mumbai or any examination recognized as equivalent thereto. (The rules of ATKT in force, if any, will be applicable)</p> <p>Documents required: Original and attested Xerox of the SY JC, First Year & Second Year mark-sheets & proof of residence.</p> <p>Remarks: Students from other institutions will be required to submit their leaving / Transfer Certificate / Migration Certificate. Those passing the First Year from any other Board</p> |
| <p>Degree College</p> <p>Eligibility Criteria</p> <p>First Year</p> <p>Qualifying examination required: SY JC Examination of MSBSHSE or any other examination recognized as</p> | |

/ University have to submit the 'PROVISIONAL ELIGIBILITY CERTIFICATE' from the University of Mumbai. Final Eligibility Certificate is to be submitted by the end of first term.

Examination related information: Credit based system (B.A. / B.Com / B.Sc. Aided)

1. Credit based system is semester based where in the students have to separately clear each semester.
2. Eligibility for clearing each semester is 40% marks in each paper and the students have to separately clear internals (minimum 16 out of 40 marks) and external examination (minimum 24 out of 60 marks) Internal evaluation will be based on assignments / projects, class tests, class participation and class conduct of the students for B.A. and B.Com. For all subjects with practicals, the internal evaluation will be based on Assignments / projects/Practicals, class tests, class participation and class conduct.
3. The student is eligible to appear for the second semester examination irrespective of whether he has cleared or not all the papers of the First Semester.
4. A student is eligible for the next semester, that is third semester, if he/she has cleared all the courses of the first and second semester or has failed in not more than two courses in the first and second semester taken together.
5. There is no A.T.K.T. examination under the semester system.
6. Students are required to have 75% attendance as per University norms.

Courses offered

4504 - Current Trends in Plant Sciences II (IV)

Botany - Single Major Practical Paper

4506 - Single Major Practical-V

Applied Component

Horticulture & Gardening - Theory Papers

0401 - Paper I - Horticulture & Gardening

0402 - Paper II - Horticulture & Gardening

Horticulture & Gardening - Practical

0403 - Applied Component Practical

Zoology

4601 - Animal Type, Comparative Chordate Anatomy, Developmental Biology, Histology and Endocrinology I

4602 - Physiology, Haematology and Immunology II

4603 - Molecular Biology, Bio-technology, Genetics, Evolution and Toxicology III

4604 - Environmental Science, Environmental Biology, Epidemiology and Biostatistics IV

Zoology - Single Major Practical Paper

4606 - Single Major Practical-V

Applied Component

Fishery Biology

0801 - Paper I - Fishery Biology

0802 - Paper II - Fishery Biology

Fishery Biology - Practical Paper

0803 - Applied Component Practical

Microbiology

4701 - Genetics, Bioinformatics, Molecular Biology & Virology I

4702 - Medical Microbiology & Immunology II

4703 - Microbial Biochemistry III

4704 - Bioprocess Technology IV

Microbiology - Single Major Practical Paper

4706 - Single Major Practical-V

Applied Component

Food Production & Food Processing

1801 - Paper I - Food Production

1802 - Paper II - Food Processing

Food Production & Food Processing - Practical

1803 - Applied Component Practical

Self Finance Courses

Eligibility

First Year Information Technology

Should have passed XII standard examination from Maharashtra Board or its equivalent with Mathematic and Statistics as one of the subject and should have secured not less than 40% marks in aggregate for open category 40% marks in aggregate in case of Reserved category candidate.

Second Year Information Technology

Should have passed Diploma (Three years after S.S.C. XTH STD.) IN Information technology / computer technology/ computer engineering / computer science / Electrical, Electronics and Video Engineering and Allied branches / Mechanical and Allied Branches / Civil and Allied branches of are eligible for direct admission to the second year of the B. Sc. (I.T.) degree course.

OR

Candidates with post HSC – Diploma in Information Technology / Computer Technology / Computer Engineering / Computer Science / and Allied Branches will be eligible for direct admission to the second year of B. Sc. (I.T.).

Diploma should be recognized by the board of technical education or any other recognized Govt. Body. Minimum marks required 45% aggregate for open category candidates and 40% aggregate for reserved category candidate.

First year Computer Science

Should have passed XII standard examination from Maharashtra Board or its equivalent with science Stream and with Mathematic and Statistics as one of the subject.

First Year Accounting and finance / Banking Insurance / Finance Marketing

A candidate for being eligibility for admission to the Bachelor of commerce (Accounting Finance) Degree Course shall

have passed XII std. Examination of the Maharashtra Board of Higher Secondary Education or its equivalent and secured not less than 45% marks in aggregate at first attempt (40% in case of reserved category)

Every Candidate admitted to the Degree course in the Constituent/affiliated college recognized institution, conducting the course, shall have to register himself/herself with the University.

First Year Bio-technology

Mathematics as one of the subject at XIIth Science / A provisional admission will be given if mathematics is not of the subject in XIIth Science till the student clears the Mathematics proficiency test.

Bachelor of Mass Media

A candidate for being eligible for admission to the degree course in bachelor of mass media shall have passed xii std. Examination of the maharashtra board of higher secondary education or its equivalent, from the science arts or commerce stream.

B.M.S.

A candidate for being eligible for admission to the BMS degree course shall have passed HSC examination of the Maharashtra Board of Higher Secondary education or its equivalent examination or Diploma in any Engineering branches with two years or three years duration after SSC, conducted by the board of Technical education, Maharashtra state or its equivalent examination by securing minimum 45% marks for general category (in one attempt) at the respective examination and minimum 40% marks for the reserved category (in one attempt).

Courses Offered

Computer Science

- 5001 - Data Communications Networking and Security I
- 5002 - Advanced Java II
- 5003 - Operating Systems & Linux III
- 5004 - DBMS II & Software Engg. IV
- Computer Science - Single Major Practical
- 5006 - Single Major Practical-V

Applied Component

Web Design & Technologies and Net Technologies - Theory Papers

- 0201 - Paper I - Principles of Web Design and Web Technologies
- 0202 - Paper II - Net Technologies

Web Design & Technologies and Net Technologies - Practical

- 0203 - Applied Component Practical

Biotechnology

- 5103 - Cell Biology & Medical Microbiology I
- 5104 - Immunology, Biochemistry and Instrumentation II
- 5105 - Molecular Biology III
- 5106 - Applications of Biotechnology IV

Biotechnology - Single Major Practical

- 5108 - Single Major Practical-V

Applied Component

Food Production & Food Processing - Theory Papers

- 1801 - Paper I - Food Production
- 1802 - Paper II - Food Processing

Food Production & Food Processing - Practical

- 1803 - Applied Component Practical

Information Technology

Semester - I

- USIT101 - Professional Communication Skills
- USIT102 - Applied Mathematics – I
- USIT103 - Fundamentals of Information Technology
- USIT104 - Electronics and Communication Technology
- USIT105 - Introduction to C++ programming

Semester – II

- USIT201 - Web Designing and Programming
- USIT202 - Applied Mathematics – II
- USIT203 - Microprocessor and Microcontrollers
- USIT204 - Database Management Systems
- USIT205 - Data Communication and Networking Standards

Semester – III

- IT-011 - Logic and Discrete Mathematics
- IT-012 - Computer Graphics
- IT-013 - Advanced SQL
- IT-014 - Object Oriented Programming with C++
- IT-015 - Modern Operating Systems

Semester – IV

- IT-016 - Software Engineering
- IT-017 - Multimedia
- IT-018 - Java and Data Structures
- IT-019 - Quantitative Techniques
- IT-020 - Embedded Systems

Semester – V

1. Internet Security
2. Visual Basic 6.0
3. SQL 2
4. Elective I (Select one of following)
 - i Multimedia
 - ii Embedded Systems and Programming
 - iii Web Design and Internet based application
 - iv Advanced Java
5. Elective II (Select one of following)
 - i ERP Systems
 - ii G.I.S.
 - iii Management Information Systems
 - iv B. P. R.

Semester - VI

1. C# (Pronounced as C. Sharp)
2. Internet Technologies
3. CRM (Customer Relations Management)
4. Elective III (Select one of following)
 - i Strategic IT Management
 - ii Total Supply Chain Management

iii Project Management

iv IT Laws and Patents

5. Project

BMM**Semester - I**

- UBMM101 - Effective Communication Skills -I
- UBMM102 - Fundamentals of Mass Communication
- UBMM103 - Introduction to Computers
- UBMM104 - Landmark Events in 20th Century World History with Emphasis on India and Maharashtra
- UBMM105 - Introduction to Sociology, The Sociology News and Social Movements in India.
- UBMM106 - Introduction to Economics

Semester – II

- UBMM201 - Effective Communication Skills -II
- UBMM202 - Political Concepts and the Indian Political System
- UBMM203 - Principles of Management and Marketing
- UBMM204 - Introduction to Psychology
- UBMM205 - An Introduction to Literature
- UBMM206 - Translation Skills

Semester – III

1. Introduction to Creative Writing.
2. Introduction to Culture Studies.
3. Introduction to Public Relations.
4. Introduction to Media Studies.
5. Understanding Cinema
6. Advanced Computers

Semester – IV

1. Introduction to Advertising
2. Organisational Behaviour
3. Introduction to Journalism
4. Print Production and Photography
5. Radio and Television

6. Mass Media Research

Semester – V (Advertising)

1. Advertising in Contemporary Society
2. Copy Writing
3. Advertising Design
4. Consumer Behaviour
5. Media Planning and Buying
6. Brand Building

Semester – V (Journalism)

1. Reporting
2. Editing
3. Features and Opinion
4. Journalism and Public Opinion
5. Indian Regional Journalism
6. Newspaper- Magazine Making

Semester – VI (Advertising)

1. Advertising and Marketing Research
2. Legal Environment and Advertising Ethics
3. Financial Management for Marketing and Advertising
4. Agency Management
5. The Principles and Practice of Direct Marketing
6. Contemporary Issues

Semester – VI (Journalism)

1. Press Law and Ethics
2. Broadcast Journalism
3. Business and Magazine Journalism
4. Internet and Issues in Global Media
5. News Media Management
6. Contemporary Issues

BMS

Semester – I

- UBMSFSI.1 - Foundations of Human Skills
 UBMSFSI.2 - Introduction to Financial Accounts

UBMSFSI.3 - Principles of Management

UBMSFSI.4 - Business Law

UBMSFSI.5 - Business Statistics

UBMSFSI.6 - Business Communication

UBMSFSI.7 - Introduction to Computers

Semester – II

UBMSFSII.1 - Business Environment

UBMSFSII.2 - Industrial Law

UBMSFSII.3 - Managerial Economics - I

UBMSFSII.4 - Business Mathematics

UBMSFSII.5 - Introduction to Cost Accounting

UBMSFSII.6 - Computer Applications in Business

UBMSFSII.7 - Environmental Management

Semester – III

UBMSFSIII.1 Management Accounting

UBMSFSIII.2 Managerial Economics II.

UBMSFSIII.3 Marketing Management.

UBMSFSIII.4 Production Management & Materials Management

UBMSFSIII.5 Strategic Management

UBMSFSIII.6 Business Aspects in Banking & Insurance

Semester – IV

UBMSFSIV.1 Research Methods in Business

UBMSFSIV.2 Direct and indirect taxes

UBMSFSIV.3 Export Import Procedures and Documentation

UBMSFSIV.4 Cooperatives and Rural markets

UBMSFSIV.5 Productivity and Quality Management

UBMSFSIV.6 Public Relations Management

Semester – V

Compulsory Courses

UBMSFSV.1 Human Resources Management

UBMSFSV.2 Service Sector Management

UBMSFSV.3 Financial Management

UBMSFSV.4 Elements of Logistics and Supply Chain Management

UBMSFSV.5 Business Ethics and Corporate Social Responsibility

Elective Courses (Any One)

UBMSFSV.6 Special Studies in Marketing

UBMSFSV.7 Special Studies in Finance

UBMSFSV.8 E-Commerce

Project Work

UBMSFSV.9 Project Work - I

Semester – VI

UBMSFSVI.1 Entrepreneurship and Management of Small and Medium Enterprises

UBMSFSVI.2 Operations Research

UBMSFSVI.3 International Finance

UBMSFSVI.4 Indian Management Thought and Practices

UBMSFSVI.5 International Marketing

Applied Component Courses (Any One)

UBMSFSVI.6 Retail Management

UBMSFSVI.7 Investment Analysis & Portfolio Management

UBMSFSVI.8 Econometrics

Accounting & Finance

Semester – I

UA&FFSI.1 - Paper - I Financial Accounting (Elements of Financial Accounting)

UA & FFSI.2 - Paper - I Cost Accounting (Introduction and Elements of Cost)

UA&FFSI.3 - Paper - I Economics (Micro Economics)

UA&FFSI.4 - Paper - I Commerce (Business Environment)

UA&FFSI.5 - Paper - I Information Technology (Introduction & Elements)

UA&FFSI.6 - Paper - I Business Communication (Introduction to Principles)

UA&FFSI.7 - Paper - I Foundation Course (Fundamentals of Environment Management)

Semester – II

UA&FFSII.1 - Paper - II Financial Accounting (Special Accounting Areas)

UA&FFSII.2 - Paper - I Auditing (Introduction and Planning & Techniques of Auditing)

UA&FFSII.3 - Paper - I Financial Management (Introduction to Financial Management)

UA&FFSII.4 - Paper - I Taxation (Indirect Taxes I)

UA&FFSII.5 - Paper - I Business Law (Business Regulatory Frame Work)

UA&FFSII.6 - Paper - I Quantitative Methods for Business

UA&FFSII.7 - Paper - II Business Communication (Application in Business)

Semester – III

1. Financial Accounting Paper-III (Special Accounting Areas)

2. Cost Accounting Paper -II (Methods of Costing)

3. Auditing Paper - II

4. Economics Paper - II (Microeconomics)

5. Business Law Paper -I (Company Law) ..1

6. Management Paper – I (Principles of Management)

7. Foundation Course Paper - II (Fundamentals of Inv. Analysis)

Semester – IV

1. Financial Accounting Paper IV (Special Accounting Areas)

2. Management Accounting Paper-I (Introduction to Management Accounting)

3. Taxation Paper -II (Indirect Taxes Paper -II)

4. Commerce Paper – II (Financial Market Operations)

5. Business Law Paper- III (Industrial Regularity Frame Management)

6. Information Technology Paper-II (Application in Accounting and Finance)

7. Quantitative Methods for Business Paper -II

Semester – V

1. Financial Accounting Paper -V
2. Cost Accounting Paper-III
3. Financial Accounting Paper -VI
4. Management Accounting Paper – II (Financial Statement Analysis)
5. Taxation Paper- III (Direct Taxes Paper - 1)
6. Economics Paper-III (Indian Economy)

Semester – VI

1. Financial Accounting Paper - V (Corporate Accounting)
2. Cost Accounting Paper - IV (Techniques of Costing)
3. Auditing Paper- III (Advance Auditing)
4. Financial Accounting Paper –VIII (Security Analysis fr. Management)
5. Taxation Paper -IV (Direct Taxes Paper- II)
6. Management Paper – II (Principles of Management and Application)

Banking and Insurance

Semester – I

- UBIFS1.1 - Environment & Management of Financial Services
 UBIFS1.2 - Principles of Management
 UBIFS1.3 - Economics - I (Micro)
 UBIFS1.4 - Effective Communication - I
 UBIFS1.5 - Quantitative Methods - I
 UBIFS1.6 - Introduction to Computer System

Semester – II

- UBIFSII.1 - Principles and Practices of Banking & Insurance
 UBIFSII.2 - Financial Accounting
 UBIFSII.3 - Economics - II (Macro)
 UBIFSII.4 - Effective Communication - II
 UBIFSII.5 - Quantitative Methods - II
 UBIFSII.6 - Business Law

Semester – III

1. Law Governing Banking & Insurance
2. Financial Management I

3. Management Accounting Tools & Techniques Focus on Banking and Insurance
4. Customer Relationship Management in Banking & Insurance
5. Information Technology in Banking & Insurance
6. Organizational Behaviour
7. Taxation of Financial Services

Semester –IV

1. Universal Banking
2. Financial Management- II
3. Innovations in Banking and Insurance
4. Corporate Laws and Laws Governing Capital Markets
5. Entrepreneurship Management
6. Financial Markets (Equity, Debt Forex and Derivatives)
7. Cost Accounting for Banking and Insurance

Semester – V

1. Marketing in Banking and Insurance
2. Financial Service Management
3. International Banking and Finance
4. Financial Reporting and Analysis(Corporate Banking and Insurance)
5. Security Analysis and Portfolio Management
6. Auditing
7. Special Studies in Banking & Insurance (Project)

Semester – VI

1. Strategic Management
2. Central Banking
3. International Business (Banking & Insurance)
4. Human Resource Management in Banking & Insurance
5. Business Ethics and Corporate Governance
6. Turnaround Management
7. Special Studies in Banking and Insurance (Project)

Financial Markets**Semester – I**

UFMFSI.1 - Principles of Investment

UFMFSI.2 - Micro-Economics

UFMFSI.3 - Financial Accounting

UFMFSI.4 - Business Environment

UFMFSI.5 - Basic Statistics

UFMFSI.6 - Basic Computer Skills

Semester – II

UFMFSII.1 - Environment of Financial System

UFMFSII.2 - Macro-Economics

UFMFSII.3 - Management Accounting

UFMFSII.4 - Principles of Business Management

UFMFSII.5 - Statistical Applications

UFMFSII.6 - Communication Skills

Semester – III

1. Debt Market
2. Corporate Finance
3. Equity Markets - I
4. Banking in Financial System
5. Computer Application in Investments
6. Business Ethics
7. Organizational Behaviour

Semester – IV

1. Commodities Markets
2. Corporate Finance - II
3. Equity Markets - II
4. Financial Services
5. Taxation for Investment
6. Security Analysis
7. Business Law

Semester – V

1. Global Capital Markets
2. Regulation of Securities Markets

3. Insurance (Fund) Management

4. Derivative Markets

5. Foreign Exchange Markets

6. Portfolio Management

Project - I**Semester – VI**

1. Risk Management
2. Corporate Governance
3. Computer Application in Financial Services
4. Marketing of Financial Services
5. Mutual Fund Management
6. Customer Relationship in Management

Project – II**Post Graduate / Ph. D. Programmes****M.A./ M.Sc/ M.Com.**

Qualifying Examination required: **B.A./ B.Sc./ B.Com.** of the University of Mumbai or any other recognized University

Documents required : Original and attested xerox of Degree marksheet & proof of residence.

Remarks: Students from other institutions will be required to submit their Leaving/Transfer Certificate/Migration Certificate. Those passing the Degree of any other Board/ University have to submit the 'PROVISIONAL ELIGIBILITY CERTIFICATE' from the University of Mumbai. Final Eligibility Certificate" is to be submitted by the end of first term.

For admission to Ph.D.: students should contact the concerned Head of the Department. Ph. D. Programmes are offered in Botany, Zoology, Chemistry, Bioanalytical Sciences, Microbiology and Hindi.

In addition to the documents specified above, students should also submit 4 passport size photographs and an undertaking for regular attendance and good conduct.

1. Rules of eligibility & enrollment are as per university of Mumbai on their website www.mu.ac.in. It is understood that the students seeking admission are completely aware of the rules ,regulation / ordinances

for admission & eligibility for the course that they have applied for.

2. Confirmation of admission is subject to fulfillment of eligibility & duly confirmed by the university of Mumbai.
3. The admission will be confirmed as per the merit list and as per the date & time specified and only if accompanied with original documents.
4. The college will not be responsible for any lapse on part of student with regard to eligibility.

I) M.A. is offered in the following subjects:

1. Hindi

II) M.Sc. is offered in the following subjects:

1. Analytical Chemistry - Papers & Research
2. Botany-Papers & Research
3. Bioanalytical Sciences - Papers & Research
4. Bioinformatics - papers
5. Biotechnology - papers
6. Computer Science
7. Information Technology
8. Inorganic Chemistry - Papers & Research
9. Nutraceutical Sciences
10. Microbiology - Papers & Research
11. Organic Chemistry - Papers & Research
12. Physical Chemistry - Papers & Research
13. Physics - Microprocessors & Computers
14. Zoology - Papers & Research

III) **M.Com. (Advanced Accountancy)**

A) Part-I

1. Business Policy and Strategic Management
2. Business Economics
3. Advanced Accounting & Financial Management- I
4. Advanced Accounting & Financial Management-II

B) Part - II

1. Research Methodology
2. Advanced Accounting & Financial Management - III
3. Advanced Accounting & Financial Management - IV
4. Advanced Accounting & Financial Management - V

IV) M. Com (Business Management)

A) Part - I

1. Business Policy and Strategic Management
2. Business Economics
3. Business Management: Paper I - Human Resource Management
4. Business Management: Paper II – Marketing Strategies and Plans.

V) M. Com. PART – II (e-commerce)

Career oriented Programmes / Add – On courses

Physics Department

1. Embedded Systems for Under Graduate students
2. Networking Using Netsim
3. PG Diploma in RFID & Integration with Automated Systems

Mathematics department

1. Certificate course on Statistical analysis with hands on experience in SPSS.
2. UGC sponsored add on course on 'Data Analytics'

GNIRD

With the inception of GN1RD (Guru Nanak Institute of Research and Development) in the year 2004-2005, G. N. Khalsa College took a major step forward in the direction of establishing the culture of scientific research.. Till date the College management has invested more than Rupees 5 crores and instituted a well-planned R & D setup complete with state of the art facilities, available only at a select few elite institutes in Mumbai.

GNIRD comprises several laboratories specializing in research in different areas of analytical and biological research. The setup consists of high end Instrumentation Laboratory, Molecular Biology Laboratory, Nutraceutical Product Development Laboratory, Microbiology Laboratory, Wet Chemistry Laboratory, Bioinformatics Section and a very well stocked departmental Library consisting of more than 500 specialized books in addition to over 100,000 books in the central college library.

GNIRD is recognized as a department for doing research in the field of chemistry as well as Bioanalytical sciences leading to Mumbai University degrees of M.Sc. by research as well as Ph.D. The research activities at GNIRD have culminated in the college being recognized as **SIRO** (Scientific & Industrial Research Organization) by **Govt. of India Ministry of Science and Technology, Department of Scientific and industrial research.**

Courses Offered

I Five years integrated M. Sc. Degree course in Bioanalytical Sciences

Candidate must have passed standard XII after 10+02 schooling(or equivalent) examination from any recognized board in India with minimum of 50% marks for students belonging to general category and 45% marks for students belonging to reserved category in aggregate or equivalent grade with Science subjects- Mathematics and Statistics, Biology, Chemistry and Physics.

Admission Procedure

- A student seeking admission to Five years integrated M. Sc. Degree course in Bioanalytical Sciences will first appear for entrance test of two hours duration, based on objective type questions, general knowledge and XIIth standard syllabus.
- Students will be selected for admission strictly on basis of merit list derived on the scores at the entrance examination and as per the reservation policy of the University of Mumbai and the Government of Maharashtra. Students featuring in the merit may be called for an interview and counseling session at the respective institution so that they may be acquainted about the teaching-training programme as envisaged in the syllabus.

Duration

The course shall be of a full time course. The course shall be covered in Five Years in TEN Semesters.

Subjects Offered

1. Biological Sciences(Botany, Zoology, Microbiology and Molecular Biology)
2. Chemical Sciences(Analytical Chemistry, Physical Chemistry, Organic Chemistry and Biochemistry)
3. Computational Sciences(Mathematics, Biostatistics and Computer Sciences)
4. Foundation Course/Environmental Sciences/ Technical Communication Skills(As per UGC guidelines)
5. Entrepreneurship Skills(Business Economics, Knowledge Management, Innovation and Principles of corporate Management)
6. Projects/ Assignments/ Case Studies
7. Industrial Training and Industrial Visits.

Three electives in the fifth year

1. Bioanalysis
2. Bioinformatics
3. Nutraceuticals.

II. M.Sc. in Bioanalytical Sciences 4 Semesters, 2 years full Time Course:

III. M.Sc. in Bioinformatics:

IV. M.Sc. in Nutraceuticals Sciences:

(Semester & Credit based)

V. M.Sc. by Research in Bioanalytical Sciences

VI. Ph.D. in Bioanalytical sciences and Chemistry.

VII. Certificate course/ Specialized personal training: Spectroscopy. Chromatography. Bioinformatics and Molecular biology.

Library

The GNIRD library is rich with more than 800 references books. The library subscribes to many journals and periodicals.

Ongoing Research Projects

Wound healing herbs. Veterinary herbal medicines. Standardization of medicinal plants and herbal formulation, Microbial production of PUFA. Antioxidant activity of food & Cosmetics components, Studies on Transversal drug absorption, Therapeutic potential of secondary metabolites. Use of Natural dyes for novel applications, DNA fingerprinting for medicinal plants etc.

Services

- Analytical services:- Analysis of samples by GC,HPLC, HPTI.,HPTLC, UV-pectrophotometer, FTIR Spectroscopy , AA Spectroscopy, Flame photometry, etc
- Molecular biology Services: - Electrophoresis - Agarose & Polyacrylamide, 2D-Gelelectrophoresis, DNA Sequencing using 8 Capillary DNA Sequencer.
- Microbiology Testing:- Determination of Bioburden, Evaluation of Antimicrobial activity
- Analytical Method:- Development /HPLC/GC/HPTLC
- Nutraceutical product development &testing including Sensory evaluation
- Biotechnology related services: - Shake flask testing, scale up studies in Fermenter complete with continuous monitoring of Ph, DO2& SCADA .
- Development of Fermentation Technology, Bioprocess Technology transfer & Consultancy
- Fermentation Facility Available for use by Third Party Trained Personnel.

National Facility for Biopharmaceuticals (NFB)

National Facility for Biopharmaceuticals (NFB) is an eight crore project funded by Departments of Science and Technology, Ministry of Health, Government of India and G N Khalsa College. This is the first one of its kind in the nation and its mission is to train students in the field of Biotechnology and drug research and to make them industry ready. The policy of NFB is to provide hands on training and to make the candidate independent and confident in their field of interest.

NFB has well equipped and state of the art laboratory facilities with a pre training laboratory, Molecular biology laboratory, Protein purification laboratory, Bacterial fermenter and an Animal Tissue Culture laboratory. NFB has many technical consultants with global exposure and an excellent team of well-trained instructors to give training at personal level.

NFB offers various training programmes with duration of one day to three years. NFB offers part-time courses for under graduate and post- graduate students so that they can build their career during their regular studies.

Rules of Refund of Fees

Refund of Tuition, development and all other fees after cancellation of admission;

The candidates who have taken admission in under graduate courses in govt. college, in Govt. aids and unaided courses conducted by affiliated colleges, and recognized Institutions may request for refund of fees after applying in writing for cancellation of their admission to the course. The refund of fees as applicable shall be made on or before 30th day after the date of cancellation and thereafter. The percentage of fee for the course shall be refunded to the candidate after deducting charges as following:

Fee deduction on cancellation of admission

Period and Percentage of deduction charges

| i | ii | iii | iv | v | vi | vii |
|-------------------|---|---|--|--|--|------------------------------------|
| | Prior to commencement of academic term and instruction of the course. | Upto 20 days after the commencement of academic term of the course. | From 21 st days upto 50 th days after the commencement of academic term of the course. | From 51 st days upto 80 th days after the commencement of academic term of the course. | From September 1 st to September 30 th . | After September 30 th . |
| Deduction Charges | Rs. 500/- Lump sum | 20% of the total amount of fees. | 30% of the total amount of fees. | 50% of the total amount of fees. | 60% of the total amount of fees. | 100% of the total amount of fees. |

Co curricular Activites

Inspire (Innovative Science Program for Inspired Research) is an innovative National program developed by Department of Science and Technology, New Delhi, to attract talent to the excitement and study of science at an early age, and to help the country build the required critical resource pool for strengthening and expanding the S&T system and R&D base. A fully sponsored 5 days science internship camp was organized by G.N. Khalsa College from 16th to 21st November 2012-13. The next inspire workshop will be **conducted in the Month of November, 2013**. G.N.Khalsa College is the second College in Mumbai to organize such an event in last five years.

Department Associations

The Department associations arrange talks, seminars and competitions to spur an interest in the respective subjects and widen their perspective.

Departments have instituted Chairs in the name of eminent personalities in their field.

| | |
|--------------|----------------------------|
| Chemistry | Dr. C.V. Raman Chair |
| Hindi | Kabir Chair |
| English | Rabindranath Tagore Chair |
| Mathematics | Indian mathematician Chair |
| Microbiology | Hargobind Khurana Chair |

Progressive science Centre

Workshops for school students are regularly conducted so as to generate interest in pure sciences amongst school students.

Mentorship Program

Special care is taken of the students preparing for the Third Year B.A./ B. Com./ B. Sc. Degree Examinations. Apart from the terminal and preliminary examination, a rigorous schedule of test series is devised to train the students to be consistent in their work all round the year. Mentors (teachers assigned to specific groups of students) monitor the students attendance and performance regularly and give personal attention to their problems. Parents-teachers meets are arranged so as to encourage the parents to participate in their ward's progress and monitor their attendance and academic record. Scholar's card is given to the brighter

students and remedial coaching is extended to the academically weaker students.

Extra Curricular Activities

Sports

Khalsa prides itself as one of the best colleges of Mumbai University in the sports arena. The Khalsa management has been providing unstinted support to its budding sportsmen so as to enable them to realize their full sports potential. The sports Roll of Honour includes sportsmen who have made a mark in Asian Games and Olympics. They have been honoured with Padmashree, Arjuna Award, Shiv Chatrapati Award, etc. For the last several years, the college has been the reigning champion team in hockey. The College has also provided a substantial number of players to the Mumbai University and National Teams. The College stands second in Sports in the University of Mumbai.

National Cadet Corps (NCC)

The establishment of NCC (Boys) Unit in Guru Nanak Khalsa College coincides with the birth of NCC in India. Enrolment to NCC is voluntary for boys and girls at junior college level.

Besides regular training, the cadets participate in various activities at All India level such as Republic Day, Independence Day, Basic Leadership, Thal Sainik Camps(TSC), Trekking, Mountaineering in which cadets display their Espirit de-Corps and engage in a healthy competition in a disciplined manner.

The NCC unit has brought great laurels to the college by winning various competitions at State and National levels.

The college authorities have provided sufficient infrastructure for conducting NCC activities such as NCC Office (Boys and Girls), space for storing equipments and uniforms. The college authorities have also funded the NCC units to purchase the band and the cadets are trained to perform during various NCC programmes. NCC Day is celebrated every year during the annual cultural festival *Nazarana*.

National Service Scheme (NSS)

NSS Unit has been participating in this Scheme under the NSS Cell in University of Mumbai.

The enrolment is open to all students irrespective of their caste, creed and religion. Around 150 students enrol as

volunteers academic year. They have to put in minimum 120 hours of work by taking up different projects during the academic year.

The NSS unit has won laurels by involving itself in projects, working towards environment enrichment and conservative social service programmes and adoption of slums.

Extension Work Unit

The Extension Work Unit at the college was initiated in the year 2006 under the aegis of the Department of LifeLong Learning and Extension (DLLE), University of Mumbai. The department offers flexible Continuing Education opportunities for the people. The aim is 'To Reach The Unreached'. Various projects enhancing the knowledge and personality of the students in the field of Information technology, Status of Women, Career opportunities and Entrepreneurship development are undertaken by the students. Online Certificate course in Office Administration, Computer Hardware, Software and Networking, Business Administration, Computerized Accounting, Basic Electronics & Telecommunications, Fibre Optics, Basics of Share Market, Tally and e-Taxation are also offered besides, courses such as MS Word, Excel and Power Point. Annaporna Yojna (APY) is a unique activity which helps the students to understand the techniques of entrepreneurship.

Annual Extension Work Festival titled "UDAAN-the flight of Extension" is organised by the University wherein the students of Extension Work from various colleges participate in Street Plays and Exhibit Posters based on their projects.

Other Associations

Punjabi Cultural Association, Drama Association, Film Society, Hiker's Club.

Festivals

The Annual intra-collegiate festival 'Nazrana' is held in December. Activities ranging from kavi sammelan, literary events, ad campaign, fine arts to personality contest, traditional and talent parade to fashion show are organized.

Parent Teacher Association

Through regular interface between parents, teachers and students, the Association works towards the psychological well-being and academic progress of the students.

The Association provides a forum for suggestions from parents for further development of the institution.

Alumni Association

The Alumni Association enables ex-students of the college to continue their ties with their alma mater. Besides it enables the college and fresh graduates from the college to avail of the help of past alumni who are well placed in life. Third year students prior to leaving the college may secure life membership to the Association.

Doctor's Panel

The college has a Doctor's Panel for consultation or call in the event of a medical emergency. First Aid Kits are kept in the college office and in various laboratories.

Infrastructure

The college has a sprawling structure; the main building and the annexe, linked by the Library section and segregated by lawns and open spaces. The college has one of the largest playgrounds amongst the colleges of Mumbai; even conforming to the International standards; admeasuring 102m X 144 m, with a running track spanning 265 metres.

The classrooms are well-equipped and well-ventilated, flanked by large corridors. Toilets on each floor and hygienic drinking water facilities are available for the students.

Library

The college library is one of the best libraries in the University of Mumbai. The library has a spacious reading hall with separate cubicles for the staff, female and blind students. It can accommodate more than 400 readers at a time. The reading hall is kept open from 8.30 a.m. to 6.30 p.m. and the closing hour is extended to 8.00 p.m. during examinations.

The library has a collection of over 80,000 books in the senior college section and 5000 books in the Junior College section. Library is unique in holding the finest collection of books on Sikh history and religion. It also has a rich collection of technical, scientific, literary and popular journals and periodicals, newspapers, and also reference books like dictionaries, encyclopedias. Through its Book Bank, the Library provides books to the needy students. It offers an extra library ticket, the Scholar's Card, to meritorious students.

The library helps the college in holding the Annual Book Exhibition and sale. It assists various departments of the college to arrange departmental book displays in the library

for the benefit of the students. Tape recorders, CDs, floppies, audio cassettes are provided by the library. Braille typewriter facility is provided to blind students. The library is fully computerized.

Students have access to e-resources (e-books and e-journals) through N-LIST program of the UGC Infonet. The library has an information center which provides internet facility and a language lab for English & four foreign languages namely Spanish, Japanese, Chinese and German. This year the College Library has also taken Institutional Membership of **British Council Library**.

Laboratories

The college has large, airy laboratories for practicals in Physics, Chemistry, Zoology, Botany, Microbiology, Electronics and Computers. There are separate laboratories for post-graduate students.

All laboratories are well-equipped and well-maintained. The M.Sc. Physics Laboratory (for Electronics) and Chemistry Department have highly sophisticated instruments, some of which have been especially imported.

Computer Laboratories

Departments of Mathematics and Statistics, Computer Science, Information Technology, Bachelor of Management Studies (BMS) and Bachelor of Mass Media (BMM) have their separate Computer Laboratories. A state of the art bio-technology laboratory has been functional since June 2005.

The College also has *ICT enabled class rooms* for effective delivery of lectures and presentation and exchange of ideas.

Gymkhana

The College Gymkhana measures 14mts X 13mts. It is adequately furnished for regular weight training activity, table tennis, carom and chess. (There are changing rooms for the teams.)

The Gymkhana has indoor games facility for Chess, Table Tennis & Carroms.

Playground

Full international size hockey field, Football practice arena, Volleyball court, Basketball Court, Handball Court, 265 Meters Running Track, Long & High Jump Pit, Shot Put and Discuss Throw Sector, Cricket Net Practice Area.

For a number of years, the University of Mumbai's annual inter-collegiate hockey tournament for both men and women has been hosted by Khalsa College. Also, the Mumbai University hockey teams (men and women) have their coaching camps on the College ground, before they proceed to participate in the Inter-University championships.

Seminar Hall

The College has state of the art seminar hall with a seating capacity of 93. It is equipped with best acoustics LCD projectors etc., making multimedia communication effective and meaningful.

College Hall

This centre is an amphitheatre for budding talents. Having a proper stage with a green room facility, the college hall has a 500 plus seating capacity. Apart from being the venue for formal functions, the hall is also used for events like drama competitions, literary events, *kavi sammelan*, *mehfil* and other artistic pursuits.

Quadrangle

The college building and its classrooms overlook a large open space, the Quadrangle, which has a long raised platform. The huge quadrangle is used for holding open air functions like the Annual Prize Distribution Function and the annual intra-collegiate events like the *Nazrana*.

Canteen

A well-spread out area, the college canteen provides a varied, wholesome, hygienic palatable fare at subsidized rates.

Ladies Common Room (LCR)

The LCR is a spacious area with well ventilated rooms, furnished with ample seating arrangement and other amenities for indoor games like chess and carom. A separate canteen facility is available. A lady attendant is also available for assistance.

Caution Notice to the Candidates Appearing For Examinations as per the Rules of the University :

Students are advised to refrain from indulging in any unfair means during the examinations.

Any candidate who indulges in the use of the following unfair means will be liable for severe punishment.

1. Possession of mobile phones, i-Pods, any electronic unit, copying material, unauthorized answer books or supplements.
2. Exchange of material.
3. Smuggling in or out of answer books or supplements.
4. Any mark of writing, sketch etc.
5. Mutual communication of any kind.
6. Forging the supervisor's signature etc.
7. Students indulging in any of the above malpractices are liable for the following punishment as per the University rules:
8. Debarring from examination for a period of upto three years.
9. Cancellation of the student's candidature at the entire examination.
10. Cash penalty.

Registration of criminal offence with the Police (Non-Bailable). Students are advised to take note of the serious implications of malpractices and to refrain from any kind of malpractice to avoid getting into serious trouble.

Scholarship / Freeship / Awards

Jr. College

1. Scholarship for female students (Instituted by Govt. of Maharashtra) - available only for the first and second child. Declaration form attached in the prospector.
Scholarship and freeship details and form available online (<http://mahaeschol.maharashtra.gov.in>)
2. Late Prof. Ramesh H. Sanghvi Scholarship - Highest in XII Commerce
3. Ashwinder Kaur Memorial Scholarship - highest marks XIIth Science
4. Mr. Jawadekar Scholarship – Highest Marks in Chemistry in XII Science.
5. Prof. Waryam Singh Memorial Prize - highest in Mathematics in XII Science.

Sr. College

1. Scholarship and freeship for students (Instituted by Govt. of Maharashtra) Scholarship details and form available online (<http://mahaeschol.maharashtra.gov.in>)
2. Govt Scholarship for minorities details and form available online.
3. Scholarship instituted by the college- details available with the registrar of the college.
4. The Management Awards to Meritorious University Rankers:

| | |
|-------------|------------|
| First Rank | ₹ 21,000/- |
| Second Rank | ₹ 15,000/- |
| Third Rank | ₹ 10,000/- |
5. Kapoor Foundation Scholarship for students of First year and Second year – “Earn while you learn”.
Students are expected to participate in projects which are socially relevant and are paid for the work done for three week during the vacation.
6. Prof Kuldip Singh Memorial Scholarships
 - Budding Math Talent Award – Meritorious student of FYBSC Mathematics
 - Emerging Math Talent Award - Meritorious student of SYBSC Mathematics
 - Proven Math Talent Award - Meritorious student of TYBSC Mathematics
 - Young Math Prodigy – Best Math Student Male and Female
7. Prof. Waryam Singh Memorial Special Prize -Highest marks in Mathematics TYBSc university examination and to the Best NCC cadet
8. Freedom Fighter Late Raghbir Singh Manhas & Smt. Bhajan kaur Manhas Scholarship to first rank holders of TYBMM / TYBMS/TYBAF/TYBBI/TY BIO-TECH / TY STATES / TY IT
9. Tejinder kaur Kalirai Benevolent fund for first rank holder of TYBSC Microbiology and Bio Technology.
10. Dr. (Ms.) Sharda Rai Scholarship – Highest marks in Economics at the TYBA University Examination

Tobacco free education institutions campaign, Maharashtra

Pledge

I know the ill effects of gutkha, tobacco and cigarette

This deadly disease has engulfed the body, mind and the society.

My friends and I take the pledge that we will stay away from this addiction.

I will not consume tobacco for the well being of my country, society and my family.

I am an Indian citizen

I will informed.....

I am determined to follow this oath!

Tambaku Matlab Khallas

GURU NANAK KHALSA COLLEGE OF ARTS, SCIENCE AND COMMERCE
MATUNGA, MUMBAI - 400 019
PARENT'S/ GUARDIAN'S UNDERTAKING
[TO BE ATTACHED TO THE ADMISSION FORM]

Class: _____ Division : _____ Roll No.: _____

I, _____ undertake to ensure that my

son /daughter/ward, Mr./ Ms _____ , will attend the lectures/
practicals/tutorials regularly and that it shall not be the responsibility of the college to inform me if my
son/daughter/ward defaults in his/her attendance, as prescribed by the university/college.

I have read the prospectus and I affirm that it will be my responsibility to ensure that the Internal
assessment task will be accomplished by the prescribed date and the college may proceed to take
steps against my ward if he/ she defaults in the same.

I have fully understood the eligibility criteria for admission and my ward fulfills the requisite qualification
for admission.

I hereby assure that I shall monitor my son's/ daughter's/ ward's academic performance by regular
visits to the college.

I am aware that my son's/ daughter's/ward's admission to the college will be cancelled and/ or his/her
terms will not be granted and he/she will not be allowed to appear at the annual Examination if he/she
defaults in attendance or acts in a manner prejudicial to the discipline and reputation of the college.

I have read and understood the rules of conduct and dress code. I will ensure that my son / daughter
/ ward abides by these.
