# IIMT UNIVERSITY

Association of Management Studies (AMS), a registered society, was formed by seven Rotarians in 1994. AMS, the founder of IIMT Group of Colleges laid the foundation of first AICTE approved college of Meerut in 1994 and gradually grew into a large group with a number of colleges, schools and a hospital. Encouraged by the success of these educational initiatives and with an intense desire to provide quality education in diverse field to the aspirants, the group further expanded with the establishment of IIMT University, a state private university in Uttar Pradesh to provide higher & professional education to students. IIMT University offers programs at Diploma, undergraduate, postgraduate and doctoral level in Engineering, Business Management, Computer Applications, Basic Sciences, Hotel & Tourism, Pharmacy, Mass Communication, Arts & Humanities, Agricultural Sciences, Education, Physical Education, Naturopathy & Law. The University inculcates an environment of Innovation, Research and Development.

## *Vision*

To be a world – class university imparting knowledge and values and providing the students an excellent learning experience through research & innovation in the field of Science, Technology, Management and other areas that will meet the aspirations of world community.

## *Mission*

University stands for academic, professional and ethical empowerment of the youth by using the state-of-the-art technology, time- tested and innovative concepts, excellent infrastructure and intentionally acclaimed facilitators.

# WORLD RECORD AT IIMT

## MATA PITA SAMMAN SAMAROH

On 23 November at IIMT was the time to cherish the unconditional love that pervades between two generations making the world complete and a happy place for both parents and children. A special moment quite looked forward to, by the student fraternity when each one of them extended soulful reverence and love to the parents. It was indeed a heavenly event that made history on the grounds of IIMT University, Meerut in the form of WORLD RECORD where 1500 students from the University, IIMT Academy and various schools expressed their heartfelt gratitude to their parents by washing their feet and worshipping them -a real tribute to Indian Culture that stands out in the whole world for its rich heritage of parent child bonding, the only country where parents are considered Gods on Earth.

## PATNI SAMMAN SAMAROH

September 15, 2019.

IIMT University, Meerut covered another milestone in its noble pursuit of making world records. More than 500 couples participated in the PATNI SAMMAN SAMAROH function. The husbands honoured their wives by offering them gifts and sweet. At this very moment, this event got recognition in the World Book of Records.

- IIMT University has broken the world record of 'Most people in reading relay' by 3105 individuals of all religions. Golden book of world record has certified IIMT University event "Adhyatam - Mass Recitation of Bhagwat Gita" and provided a certificate of achievement on 15th February 2017.
- Golden Book of World Record for largest origami boat has been achieved by IIMT University on March 20, 2017. Record breaking numbers of origami boat were arranged in mosaic illustrating 'smiley' as a part of celebration of International Happiness Day.

### HANDSHAKE RELAY

Another World Record was claimed to Limca Book Of world Record at IIMT when 3000 students of different caste and creed shook hands with each other at one time.

Handshakes are important part of society to solidify relationship and mutual understanding. A handshake spreads love, togetherness, happiness among community. It has a purpose to convey trust, respect, balance and equality. It signifies as a symbol of peace, happiness and harmony among all humanity and ultimately it brings together all people to spread unconditional love and happiness in the environment.

### GAU-SEVA

IIMT created a world record by getting 100 cows fed by 11,000 students from various schools and colleges. As IIMT believes in pious deed of social service and preservation of Indian cultural values. To carry on this as a social responsibility, this event of 'Gau-Seva' was organised to aware the society that cows have been an essential part of our culture and they are regarded as the God and Foster Mothers so we should grow them, serve them and help them to survive. The whole event of Gau-Seva was solemnized with the blessings and guidance of sacred Saint Kalpatri Ji Maharaj. The event got converted into a great success due to voluntary efforts and the team work of all IIMTians.

## GOI APPROVAL TO IIMT BUSINESS INCUBATOR

**A great breakthrough in the achievements of IIMT !**

The University has got approval from the Government of India for its Business Incubator. It is a great opportunity for our students to promote their innovative ideas from incubation to commercialisation. The ideas that get approval would be funded by the Government. IIMT is the only University in complete Western UP zone to get the honour. The main purpose of an incubator is to facilitate the growth of a start-up by providing working space, seed funding, mentoring, training and other benefits. The students can make the most of this golden opportunity and come out with their brilliant ideas and invent services and products of utility to the whole mankind. A worthy project would be granted from Rs.10 lacks to Rs.1 crore by the government. It's now time to turn learning at the University into innovative application to create substantial services and products.

## Student and Faculty Training

### Essential Google Programs:

Google Developers for Cloud Computing Courses and Faculty Training on Android - A group of faculty is trained by Google on coursera in cloud computing in which Google has copy right.

- 1. Student Training** - Recently students of prefinal year of B.Tech. CSE, BCA & B.Sc. (CS) were offered training by Google in Associate Engineering Cloud Computing Course. Second year B.Tech. CSE students have been enrolled in Google cloud foundation course through National Programme on Technology Enhancement Learning.
- 2. Coursera** - Hundreds of students have done certification in International programs of coursera from hundreds of reputed worldwide University like Harvard, MIT and many more.
- 3. NPTEL by MHRD, Govt. of India** - National Program on Technology Enhancement Learning Certification is an integrated part of curriculum as credit course. IIMT University is made a local chapter of NPTEL in view of its active participation. Besides students, faculty members and professionals are taking up these courses to upgrade their knowledge. NPTEL also offers internship for course toppers. Its certification is recognized & valid for credit transfer. During the pandemic phase, UGC has also validated it. Its certification is considered one of the most valuable certifications.
- 4. "Swayam"** means Study Webs of Active - Learning for Young Aspiring Minds. It is Indian national MOOC platform to offer thousands of courses by thousands of renowned instructors/ professors from over hundreds of good Indian Universities. IIMTU is also present on Swayam portal with the gateway to assess the E-Contents / Courses developed by the faculty members in different disciplines.
- 5. NDL Membership** - to make students enable to assess the books & libraries countrywide, proved to be very helpful in pandemic crises.

### Innovative Products

In the area of research, the faculty of pharmacy, is actively involved in developing **Neutraceuticals**, **Nanobiological products**, **Hybrid based organic farming**, experimentation on **Green house based plant growth**, Quality Assurance and method development for **herbal based products** etc.

#### Neutraceutical Innovative Products under research in the department

**Neutraceuticals**, are products that range from isolated nutrients, dietary suppliments and herbal products, specific diets and processed foods such as cereals, soups, and beverages. India being a country with large herbal resource and natural cure is the best method of preventive and curative method, our departments concentrate on herbal product development.

Few products to name are herbal chawanprash, Modified triphala powder, natural sindoor (for application by female and in temples), Kari patta powder, Neem leaves powder etc.

## “The most pious and purest place on earth is - A Temple”

Hindus believe that their lives are merely stages in the progression to ultimate enlightenment. The temple is a place where God may be approached and where divine knowledge can be discovered. All aspects of the Hindu temple focus on the goal of enlightenment and liberation - the principles of design and construction, the forms of its architecture and decoration, and rituals performed. It is the focus for all aspects of everyday life in the Hindu community - religious, cultural, educational and social. A place to experience contentment, peace, and how we should behave in order to live a happy life. For this, IIMT University is surrounded by culturally rich temples. Beautiful Shiv Mandir, Hanuman Mandir, Maa Durga Mandir, Ganesh Mandir and Sai Baba Mandir which are the place of peace and blessings.

## NCC TOUR

A one day visit was organised for the NCC Group to INDIAN MILITARY ACADEMY, Dehradun. There the students were explained in detail about the whole process of Army Officers' Training. The students got a chance to get a training session with a batch of NDA. They had an interaction with the officials at the academy. The visit gave our students a great opportunity for exploring and learning a lot about military training in our country

## INDIAN ARMY CAMP AT IIMT UNIVERSITY CAMPUS

A 10 days Thal sena Camp of NCC was organized at the university from 4th to 13th July, 2018.

The camp was headed by Lt. CATC 257 camp commander MADHA BORA. The camp was attended by 300 cadets from Meerut, Agra, Allahabad, Kanpur, Lucknow, Barailly, Ghaziabad, Gorakhpur and Varanasi. Out of the 300 only 50 cadets were selected on the basis of their overall performance. Brigadier MUKUL BHANDARI from NCC headquarters was invited to encourage the students. He presided over the felicitation ceremony as chief guest of the day.

The cadets were given tasks like map reading, firing, field craft, battle craft, tent pitching, hygiene and sanitation. Special attention was paid to the boarding and lodging of the family of the cadets. The camp definitely proved to be a highly effective one in bringing out the talents and abilities of young cadets aspiring to save the nation.
