CHAIRMAN

**MR. RAKESH KUCHHAL**  
FOUNDER & MANAGING DIRECTOR

# MANAGEMENT SPEAKS

The institute which got established more than 20 years back in township of Sonapat is one of the finest Engineering and Management Institute in Delhi-NCR. The pedagogy at B.M. Institute of Engineering and Technology, Sonapat has been focusing on developing global Technocrats and Leaders who prove to be a right fit in the fast changing business environment, which is characterized by rising uncertainty, complexity and speed of socio-economic, technological, natural and political changes. The success of future Engineers and Managers will depend on their agility in responding quickly to uncertain situations, adaptiveness in dealing with complex and multicultural global environment and ability to innovatively leverage the opportunities arising with advent of fast changing technologies. This institute, over the years, has built a reputation of producing very talented and innovative breed of Engineers and Leaders. Our endeavor is to develop students in a way that they are able to operate effectively in such an environment and be an active participant in all the sectors of the economy. We are proud to have a very inquisitive, talented and energetic group of students who come from diverse backgrounds. We are sure each of them will prove to be an asset to the organization they will get associated with...

## **BMIET DEVELOPS AND NURTURE BRILLIANT BRAINS WHO'LL SHAPE THE FUTURE OF THE NATION.**

DEEPALI (NTT, Software Engineer) - CSE 2019 Batch  
BMIET provided me the Best faculty, courseware, Placement and infrastructure and helped me to identify my potential.

# VISION & MISSION

The vision of BMIET is to transform the institute into a modern constantly progressing temple of learning in Technology, Engineering and Management, with a distinct identity not only in Delhi-NCR but also in entire country. The management does not believe in stagnating. Its endeavor is to keep expanding into new fields and win new laurels. Keeping pace with new developing technology and assimilating them is our constant effort.

Consequently BMIET has acquired a unique place for itself and an image of excellence. The progress will be sustained whole heartedly.

AKSHAY BHAT (Analyst Programmer, Fidelity International) - ECE 2016 Batch

BMIET to me is a family rather than an institution. This place has given shape to my career. I achieved the confidence and leadership abilities which guided me towards the right path.

# WHAT DO YOU ASPIRE TO BE?

You are a genius in the making. What you think and act, is what you will become. The Question is how and when? Learning is a lifelong process. At BMIET we provide a platform to think, innovate and learn to improvise on what we were yesterday. At BMIET we take you beyond career to offer you an experience that will challenge and nurture you and always evolve you. Be ready for an awesome learning experience. At BMIET we bring the whole world of excellence around you to enrich you with world class exposure.

We believe in enriching the BMIETians with following traits

- 1) **THINK:** Ask questions, explore new avenues. At the end of day what you think is what you become.
- 2) **LEARN:** Seek new information, absorb it, pursue it. Be ready to face technological disruption as long as it is for betterment.
- 3) **INNOVATE:** Think differently, navigate your own way to success and achieve extra ordinary.
- 4) **LEAD:** Take charge as a leader, be a trend setter.

## THE BMIET EDGE

- 1) One of the best academic curriculum under the affiliation of GGSIP University, Delhi which is synchronized with Global Industry Standards.
- 2) Well connected with the global industry leaders for providing an excellent career opportunity to the future leaders.
- 3) The institute provides optional professional certifications in association with DellEMC, CIPET and Amazon Web Services.
- 4) Modern Teaching pedagogy for interactive learning with the help of teaching aids like Virtual Labs, Spoken Tutorials.
- 5) Infosys approved campus for Campus Placements for more than a decade.
- 6) Highly competitive and energized environment for developing personal skills. Students have recently won competitions organized by Ministry of Human Resource and Development like Smart India Hackathon 2019.

LATIKA BAJAI (Lead Consultant, SAP, NCS ETE LTD. Singapore) - ECE 2005 Batch

The Institute provided me a sound platform to explore my analytical skills through conducive learning environment.

# INSTITUTE- INDUSTRY LINKAGES

The Institute Industry Interaction and Placement Cell emphasizes on inculcation of leadership qualities, team spirit, corporate behavior and works on overall personality grooming of the students. The cell also facilitates the students to simulate industry environment during course work and develop job skills and establishes partnership with industries.

The institute has academic collaboration with DellEMC, Amazon Web Services and IBM Skill Build for industry linked certifications and courses.

YOGENDER SINGH - (Associate Consultant at Tata Consultancies Services) - ECE 2004 Batch

"BMIET is just beyond the institution. My college days are unforgettable and I cherish whatever I have gained from here. I will always be thankful to BMIET for being the major stepping stone in my life."

# ONLINE TRAINING & INTERNSHIP OFFERED

(DURING SESSION 2021-2022)

The Institute has partnered with Coursera, the global leader in online learning for the campus. Students harnessed the benefits of this partnership and successfully complete multiple professional certifications in the areas of their interest. A brief summary of these certifications shows the achievements of our students.

**4769 plus enrollments by our students in various specializations**

**11,000 plus hours of learning**

**21709 plus lessons taken**

**4.7/5 Average Rating by Learners**

**coursera**

# CAMPUS PLACEMENT

The placement cell works diligently round the year to provide genuine opportunities to the students. We have collaboration with various industries across several branches of engineering and management. The placement process at BMIET is a culmination of a strong training structure, which includes technical training, industry oriented trainings, aptitude, communication, soft skills & life skills training throughout the year. **The Institute is an Infosys Approved Campus for Campus placements.**

## SOME OF OUR MAJOR RECRUITERS INCLUDE

**THE WORLD RENOWNED IT GIANT INFOSYS IS CONDUCTING CAMPUS PLACEMENT FOR OUR STUDENTS SINCE LAST 14 YEARS.**

**SHIVALI GOHRI (Asstt. Engineer, Honeywell and Anchor Home Shop 18) - ECE 2011 Batch**  
 I am proud to say, BMIET has made me a better person. The time spent during the four years were the best. It was a great environment to learn and have fun.

# B.M. INSTITUTE OF ENGINEERING & TECHNOLOGY SONEPAT

Placement Batch 2021-22

- Placed more than 95% of the eligible students from the outgoing batch.
- More than 35 companies offered appointments to BMIEETians.
- Highest offered package 12 LPA.
- Average package 4.8 LPA.

The Companies Offering Job roles in different domains include

# DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

This is an era of Disruption specifically for Computer Science. Each day established technologies are being replaced by more innovative and advanced technologies. The life span of any technology is too small. Welcome to Industry 4.0. Yes, this is a revolution and we are privileged to contribute to the new era. In Department of Computer Science and Engineering we ensure to turn your dream into reality.

We have the most experienced and dedicated team of faculty who are specialists in core Computer Science domains including Computer Architecture, Operating Systems, Database, Algorithms, Neural Networks, Artificial Intelligence, Image Processing, Wireless Networks, Computer Networks and Security to name a few. The students are encouraged to participate in various technical activities including Hackathons, Conferences, Coding challenges etc.

## Learning opportunities in Department of CSE

- Problem Solving Skills through application of Mathematics, Science based foundations to develop different technologies of CSE.
- Identifying Hardware and Develop Software using different language platforms with suitable IDE for ICT applications.

## Career Paths for B.Tech. CSE Students

- Design solutions for complex real time problems of various domains that may be converted to a computer program.
- Developing prediction and modeling tools using advanced concepts including Artificial Intelligence and Data Science, optimize the computing capabilities of human beings with advanced technologies including Robotics and IOT.
- Work on designing more effective hardware and software tools to Value the importance for, and exhibit an ability to engage in independent and life-long learning.

PANKAJ ARORA (Associate Director, KPMG) - CSE 2004 Batch

During my 4 years at BMIET, I went through a lifetime: from struggle to introspection, to drama, to making my identity, BMIET gave me lifetimes of stories to not only tell, but also to learn from. It was never a dull day.

DHARIKA SARDANA (System Engineer, Infosys, Pune) - CSE 2016 Batch

“BMIET is one of the best Institutes, where we not only gain knowledge but also get good opportunity for practical projects, and thus, would rate it as the best place for the student to become good business leaders and good human beings. Here we connect with right people with right skills at the right time.”

ARUN SINGH SHEKHAWAT (Product Manager, Bosch) - IT 2005 Batch

The four years at BMiet were foundational & helped me prepare myself to get into the workforce and apply the knowledge attained.

AMIT SARIN (Strategic Rewards Consultant ,Caterpillar India) - ECE 2004 Batch

The golden days at BMIET will never come back, I still remember the things we did, some good and some not to be spoken of, Samosa breaks, lunch outings at the dhaba and not to forget the long laboratory sessions.

# DEPARTMENT OF MANAGEMENT

In the Era of worldwide revolution, in business education, Department of Management Studies, at B. M. Institute of Engineering and Technology, has endowed the students to fruitfully absorb themselves in an extended horizon of knowledge.

The Department proffers a dynamic, innovation driven scholarly environment that tutors the students so as to fabricate the future leaders and managers in the corporate. The Management department inculcates BBA-3 years, MBA-2 years, which endow the students with a concrete foundation for the major business arenas.

Principal objective of the Department is to polish the business managers of tomorrow, who would be accountable for effective management of resources.

## Learning Opportunities in Department of Management

The Mission is to lay down high benchmarks in the Management course by the way of imparting multidisciplinary educational approach and innovative skills to the students in following ways:

- Discussion on Case Studies, Live Projects and Presentations, Industry Interface, Workshops/Seminars
- Expert Lecture by Corporate Delegates/ Resource Person in Campus
- Business & Management Games.

## Career Paths for Management Students

- Management graduates have enough chances to work outside their native places so that they can gain enough exposure and understand the market conditions in different regions.
- Start a business/ start-up/ turn into an entrepreneur.

VAIBHAV SHARMA (IR, GOI) - MBA 2018 Batch

Throughout my 5 years long journey, as I did my BBA & MBA both from BMIET, I had incalculable opportunities to widen analytical proficiency, leadership and upbeat thinking through various programs and events. Sincere thanks to all my faculty and friends for the amazing journey at BMIET

# WE ARE PROUD OF YOU!

## IAS PRADEEP KUMAR (ECE, 2007 BATCH)

BMIET, Sonapat, has built a tradition during past 20 years of its existence of having imparted quality technical education to thousands of students who have constantly upheld high its banner by getting employed not only in business, government departments and numerous other establishments and top notch companies but also on higher government administrative posts.

One of our alumnus Mr Pardeep has cleared the tough competitive test and is an IAS. We at BMIET are justly proud of Mr. Pardeep and many more like him.

The praise worthy success of our students has impelled us to not only maintain the high standard but also climb higher up on the ladder of success. We earnestly invite brilliant students to join BMIET to ensure a bright career and future.

## OUR ACHIEVERS

BMIET'ians have always put a step ahead of others to mark their presence wherever they go. Apart from commendable academic performance BMIETians have always brought laurels to the Institute by demonstrating their professional skills.

### BMIET team GIZMOWITS -

(A national event of MHRD).

The winners interacting with  
Hon' Prime Minister Sh. Narendra Modi.

Deloitte Innovation Award Winners  
During Smart India Hackthon 2018

### PRAYAG CHHIKARA (TCS) - CSE 2019 Batch

4 years spent at BMIET shaped my career. Thanks to my mentors who guided me through out my journey. Today I feel proud to get placed in TCS & being alumnus of this college.

**AAKASH KHURANA (Formel D India Pvt. Ltd., Regional Manager) - IC 2005 Batch**

This institute has been nothing less than what I had hoped for. Supportive Senior and faculty, beautiful campus, quality education, real world experiences and amazing friends. Its everything one needs from college. The growth I have seen myself due to BMIET is in valuable.

# CENTRAL LIBRARY

Our library is the nerve-centre and heart of the institute and considered as one of the best library of IP University's affiliated colleges, which supports teaching and research. All the students and the faculties of Engineering and Management are the members of the library. The library has provided open access to its collection of over 34000 books. The Library is centrally air-conditioned with access of reputed National and international e-journals.

## A STUDENT'S VIEW

**Anshika**  
**B.Tech. (ECE)**

The Institute has a wonderful library with excellent reading rooms. We have an access to all national & International Journals & Magazines. "I recommend BMIET, Sonapat for all the incredible learning, great experiences and good friends. I found lot of professionalism here that helps me to improve. Good teachers and great ambience and peaceful environment. Such a green campus is not available at any of the engineering colleges of Delhi. Its really good to study at BMIET"

**Pratima Gaur**  
**B.Tech (CSE)**

BMIET Central library is my go-to place for reading, research, and discussions. Wonderful ambience, world-class resources (both digital and physical collection) and helpful staff are the key highlights that set apart the library from any other library in the region.

**ANKIT GUPTA (Software Developer, OPTUM) - CSE 2014 Batch**

My sincere thanks to all the faculty members, mentors and everyone in BMIET family for their support and altruism. They have played a very crucial role shaping me & proved me right, in selecting BMIET over other colleges.

GIRLS HOSTEL

# BE HOME IN A SAFE & SECURE HOSTEL

BOYS HOSTEL

Hostels in BMIET are like a home away from home. The on-campus Hostels separate for boys and girls on single and triple occupancy guarantee favorable environment and round the clock security. The lodging rooms are very much ventilated and sufficiently outfitted. We furnish a single bed, a study table, almirah and desert cooler to every room. The hostels are Wi-Fi enabled with a high speed internet connection to allow the students to access the internet no-matter wherever they are. The Weekly menu is prepared in counsel with the Students' Mess Committee to give variety, nutritious and healthy food to the inmates. Exceptional meals are given every week.

Both Hostels has a residential Faculty Warden, Assistant Warden, and Attendants who are being observed by the administration to instantly deliver the everyday issues of the lodging occupants.

The vehicle for medical emergency, attendants are additionally accessible inside the campus all the time

**A FLEET OF LUXURY BUSES COMMUTE EVERYDAY FROM VARIOUS PARTS OF DELHI.**

**HIMANSHU BHARDWAI** (Regional Manager, Career Launcher) - ECE 2013 Batch

The time spent in the institute is unforgettable. What amazes me is the plethora of extra curricular activities that the Institute offers hence compelling every student to explore and pursue extra talents. This hostel is absolutely superb, the staff are friendly, helpful, full of local knowledge and go the extra mile. The facilities are cleaned daily, rooms are spacious, air cooled, large lockers for the bigger backpacks, wireless internet.

# ADMISSION PROCEDURE

## Admission Criteria

1. Candidates are required to appear in the Common Entrance Test (CET) of various disciplines conducted by GGSIPU, Delhi or National Level Test conducted by National testing agencies. The admissions would be through On-Line counseling based on the merit / Rank in CET/JEE Main/CAT/CMAT.
2. Admissions to Leftover seats will be as per the guidelines of GGSIPU, Delhi. For relevant information visit University Website ([www.ipu.ac.in](http://www.ipu.ac.in)) or contact the institute.

### B.TECH.

Code 131

**Eligibility Criteria:** Pass in 12th Class of 10+2 pattern of CBSE or equivalent with a minimum aggregate of 55% marks in Physics, Chemistry and Mathematics provided the candidate has passed in each subject separately. Candidate must additionally have passed English as a subject of study (core/elective/functional) in the qualifying examination.

**Admissions Criteria:** All applicants are required to appear in Joint Entrance Exam (JEE) Main Paper 1 Conducted by National Testing Agency (NTA). The University shall not conduct its own CET for admissions, but shall be utilizing the merit of JEE Main Paper 1 for its admissions. The admissions would be based on the merit / rank in the JEE. Note: Blind (including colour blind), deaf and/or dumb candidates shall not be eligible for admission in these courses.

### BBA

CET Code : 125

**Eligibility Criteria:** Pass in 12th Class of 10+2 of CBSE or equivalent with a minimum of 50% marks in aggregate\* and must also have passed English (core or elective or functional) as a subject.

**Admissions Criteria:** Applicants must appear in the CET conducted. The admissions would be based on the merit / rank in the CET.

### LATERAL ENTRY TO B.TECH PROG. FOR DIPLOMA HOLDERS

CET Code : 128

**Eligibility Criteria:** Three-years diploma (completed) in any of the following branches of Engg./Technology with a minimum of 60% marks in aggregate\* from any recognized Diploma awarding institute/university/board recognized by AICTE:- Computer Engg; Automobile Engg; Chemical Engg, Civil Engg, Construction Engg, Electrical Engg, Electronics & Communication Engg, Electronics, Instrumentation & Control, Mechanical Engg., Maintenance Engg., Plastic Engg., Printing Technology, Production Engg., Public Health & Environmental Engg., Tool & Die Making.

**Admissions Criteria:** Applicants must appear in the CET conducted. The admissions would be based on the merit / rank in the CET.

**Note:** Candidates with Diploma in Architecture are not eligible for lateral entry to Engineering/Technology degree programme.

## CAMPUS LIFE

Life at BMIET doesn't stand still. Here, you will make your mark by, joining societies, playing sports and taking part in campus life. You will make the most of your time as a college student and find out who you are.

CONOSCENZA, our Annual Fest is the majestic extravaganza organized by BMIET. The aim of it is to continue with the tradition of providing an academically and culturally stimulating atmosphere.

We endeavor to provide a platform to the students to bring out the best of the hidden talents in them.
