एक विरासत की शुरुआत

मैं समस्त युवक व युवतियों को यह बताना चाहता हूँ कि हमें सदैव आशा रखनी चाहिये तथा कभी हिम्मत नहीं हारना चाहिये। आप सफलता केवल तभी प्राप्त कर सकते हैं जबकि आप इसके लिए अपना परीना बहाएँ तथा पूरी लगन व परिश्रम के साथ कार्य पर जुट जाएं। मैं दावे के साथ कह सकता हूँ कि भारतीयों का दिमाग किसी ट्यूटमिक, नॉर्डिक या अंग्रेज से किसी मायने में कम नहीं है। शायद हममें साहस व उस जीत की भावना की कमी है जो कि हमें सफलता दिला सकती है। हमें अपने आप में जीत की भावना को जगाना है, अपनी क्षमता को पहचानना है और लगन के साथ कार्य करना है तभी हम इस विश्व में अपनी सही जगह पर पहचाने जाएंगे।

अगर किसी भी प्रकार हम यह भावना पैदा कर लें तब हमें हमारा लक्ष्य मिलना सुनिश्चित है।

Chancellor's Message

It is a very proud moment for me to release the Information Brochure-cum-Prospectus for Dr. C.V. Raman University (Khandwa) – the fifth university under the AISECT Group of Universities which has been set up in the Nimar region of Madhya Pradesh (Khandwa). The other four universities of the AISECT Group are functioning at different rural sectors of Madhya Pradesh, Chhattisgarh, Jharkhand and Bihar. The AISECT Group has a very rich legacy of offering skill-based quality education with an assurance of excellent job opportunities and entrepreneurial options. Some of the factors which make education, for private students at Dr. C.V. Raman University (Khandwa), the best option along with a bright career are excellent infrastructure, well-qualified experienced teachers and trainers with long industrial experience to deliver knowledge and skill, AISECT-NSDC partnership and certification, and online placement support by Rojgar Mantra - an exclusive portal of the

AISECT Group with a good placement record. There is a wide number of programmes offered at Dr. C.V. Raman University (Khandwa) which range from one month certificate courses up to diploma, UG and PG level programmes. The courses are perfectly designed to incorporate the latest technologies from the field to meet industrial requirements, at the same time following skill framework approved by the Government. AISECT, the parent body of Dr. C.V. Raman University (Khandwa), is the leader in providing skill-based education at national level. The teaching as well as the learning methodology is quite different at Dr. C.V. Raman University (Khandwa) compared to other universities. There are large numbers of Skill Academies under the conventional teaching departments, which make certain that skill education is delivered along with the hands-on experience. The pedagogy is loaded with an ICT based teaching-learning system. We mould students into becoming socially responsible through our value based education. Our talented groups of youth are always occupied in various cultural, social and sporting activities through various numbers of events round the year which thereby provides a stage for their all-around development. This not only has improved the campus life at Dr. C.V. Raman University (Khandwa) but also provides the most excellent opportunities for placement in top companies and also motivation for starting their own start-ups or industrial projects.

I am sure that students at Dr. C.V. Raman University (Khandwa) will have an entirely unique learning experience and campus life that will transform them into capable, smart professionals and admirable citizens of this country.

Vice Chancellor's Message

Amitabh Saxena

Vice Chancellor

Dr. C.V. Raman University (Khandwa)

The last two decades have seen a remarkable growth in higher education in India and across the globe. The move towards inter-disciplinary studies and interactive learning has opened up several options as well as created multiple challenges. India is at a juncture where a huge population of young crowd is opting for higher education. With the tremendous growth of privatization of education in India, the major focus is on creating a platform for quality in knowledge enhancement and bridging the gap between academia and industry.

A strong believer and practitioner of the dictum "Knowledge is Power", Dr. C.V. Raman University has been on the path of delivering quality education by developing the young human resources on the foundation of ethical and moral values, while boosting their leadership qualities, research culture and innovative skills. Built on a sprawling 40 acres of green campus, this

'temple of learning' has excellent and state-of-the-art infrastructure facilities, conducive to higher teaching-learning environment.

All the programmes offered by Dr. C.V. Raman University follow the Choice Based Credit System (CBCS) with an Outcome Based Approach. The flexibility in the curriculum has been designed with industry-specific goals in mind and the educator enjoys complete freedom to appropriate the syllabus by incorporating the latest knowledge and stimulating the creative minds of the students. Our curriculum is extremely contemporary and is a large culmination of efforts of great thinkers, a large number of faculty members, experts from industries and research level organizations. The evaluation mechanism employs continuous assessment with a grade point averages. We believe sincerely that it will meet the aspirations of all stakeholders – students, parents and the employers of the graduates and postgraduates of Dr. C.V. Raman University.

With firm faith in the saying, "Intelligence plus character – that is the goal of education" (Martin Luther King, Jr.), I strongly believe of Dr. C.V. Raman University is marching ahead in the right direction, providing a holistic education to the future generation and playing a positive role in the nation building. We reiterate our endeavour to provide premium quality education accessible to all and an environment for the growth of over-all personality development leading towards generating "GLOBAL PROFESSIONALS".

Welcome to Dr. C.V. Raman University,
Khandwa, M.P.

- A carefully planned academic calendar
- Video Audio Learning System (VALS)

Training & Placement

AISECT, a 35-year-old organization, has over the years earned the reputation of being a reliable trainer and supplier of best skilled professionals to the industry. The reputation has helped AISECT to develop a close association with most of the top management and IT companies, giving the students an option to choose from a plethora of companies for their summer training and on-campus placement.

The University helps shape the future of the students by providing them placement opportunities once they complete their education. Its association with country's leading organizations helps to provide training programmes to students which enable them to become industry-ready.

Training and Placement Cell

All the courses at the University are designed to make the students ready to be absorbed in the market. Apart from the mandatory technical skills, it is also made sure that they acquire other qualities as well, that play an important role in climbing the career ladder with special focus on improving their soft skills.

As the college nears its conclusion, it becomes important for a student to choose the particular field in which he/she wants to make their career. At this stage, a career counsellor is of great help, as they can guide a student to choose and explore those career options in which their true interest lies.

Counselling

During the course of studies, students may come across various situations which might seem difficult to deal with. The counselling service of the University thus tries to understand the problems students are going through and prepares them mentally to help them fulfil their academic and personal potential.

The Tutor Guardian Scheme

This special scheme has been made functional to make sure that each student at the university gets an allround development and no one is left behind. Under this scheme, a group of 10 students will be allocated to each member of teaching staff who will act as their Tutor Guardian. They will help the students with their daily schedule and will be in continuous contact with the parents of the students.

Placement Support

Here are some of the companies which have been recruiting from AISECT Group of Universities:

Student Welfare

The Student Activity Council

The University understands the importance of a strong student's body, as it plays a major role in understanding the needs of students better. The University has made provisions for a student council which has the following roles to play:

- Promoting discipline and incorporating a freedom of thought among the students
- Encouraging discussion on issues of national and international importance
- Bringing in an environment to promote democratic decision making
- Helping students to develop their personal, communicational and managerial skills

Proctor Committee

Among other qualities, discipline is one such aspect that a student must possess. To maintain decorum at the University, a special committee has been formed which makes sure that no one violates the general rules and regulations at the University campus. In case a student is found guilty, the committee holds the authority to take actions against him/her which may include suspension or expulsion from the University.

Anti-Ragging Committee

Ragging is strictly prohibited at Dr. C.V. Raman University. Thus, an Anti-Ragging Committee has been formed that looks into the matters that fall under the category of ragging. Any act of ragging is dealt on priority basis and stringent actions are taken against those involved in the act.

Anti-Sexual Harassment Cell

An Anti-Sexual Harassment Cell has been formed at the University as per the guidelines of the UGC and the Supreme Court. The purpose of this cell is to make sure that no student or staff member falls victim to any discrimination or harassment. The cell also acts as a mediator to resolve all the cases that fall under the category of harassment.
