## Mangalayatan University Jabalpur

### MANGALAYATAN UNIVERSITY JABALPUR

In a world of constant change, life long learning is a means to success, the Mangalayatan University has been nurturing minds and advancing careers with high quality, dynamic and innovative programs. Mangalayatan University Jabalpur is the first private University in the city of Jabalpur which is expanding fast with plans to be an International destination for students.

The University is committed to catalysing and enriching the educational landscape, and empowering the youth through research-based education. Towards this end it carries the distinct advantage of taking swift strides towards the goals and objectives of the National Education Policy -2020 that bolsters the idea of holistic and purposeful education.

Courses offered by the University are designed with an eye on the industry demand in the global perspective. They are structured on the latest UGC scheme of Choice Based Credit System (CBCS). The pedagogy used by the University faculty makes prolific use of modern information technology. Self-learning and community learning is equally encouraged among students through richly stocked library, networked with prominent national and international literary resources, so as to connect students and researchers with the frontiers of knowledge worldwide. Virtual Classroom technology also is a part of the academic routine which is used to sensitise students to the prevailing standards of the industry and profession. Students find an occasion to interact first-hand with prominent faculties, industry experts, and potential employers to know market expectations.

The University campus is a lush green 100-acre expanse, having positive and an intellectually stimulating environment. The first academic block of the University is fully functional. It is centrally air conditioned and wifi enabled for the ease of learning. The second multi-story block will be available very soon featuring most modern facilities such as Cafeteria, Convention Hall, Student Recreation Rooms, Laboratories, Smart Classes and Projection Rooms, and Faculty Areas.

We aspire to make speedy progress towards national and international educational standards by following the best practices in the field, and by implementing the tenets of the New National Education Policy. However, the realization of our dream is only possible with the presence of energetic, motivated and goal-oriented students, ready to take on challenges. If you feel you are the one let us show new heights to your career.

## VICE - CHANCELLOR'S

PhD., MPhil, MMS, MSc  
Vice- Chancellor,  
Mangalayatan University Jabalpur

*“Knowledge is Power” said Bharat Ratna, Abdul Kalam*

Universities play crucial roles in shaping the future of the world through the medium of education in the form of knowledge creation. Also, it is of paramount importance that we keep alive our cultural ethos while harnessing the power of modern technologies in shaping a constructive future. I believe that a university is the highest temple of learning. Therefore, students and faculty must be provided with an enriching and empowering environment, which dynamically stimulates their inherent potential, leading to engage them in an outlook beyond the realms known to them, resulting in the creation of a powerful future, where the responsibility of shaping the society is freely and gracefully accepted by them.

Throughout the world, Universities function in a dynamic environment. The need to expand higher education with the impact of technology on the educational delivery, the increasing private participation in higher education, have necessitated marked changes in the Indian higher education system. Therefore, it will be our endeavor to inculcate following core values amongst our students in service of the society:-

- Contributing to National Development.
- Fostering Global Competence.
- Ethics and Character Building,
- Promoting Use of Technology
- Quest for Excellence.

## Faculty of Agriculture

Agriculture is interdisciplinary by its definition, covering various branches of science ranging from biology and general science, to the subjects related to technology and economics.

Agriculture holds the key to the future of the country, giving numerous opportunities for research, entrepreneurship and developmental activities. The Faculty of Agriculture contributes significantly to the development and evaluation of sustainable production techniques in agricultural and nutrition sciences. It is also concerned with the conservation of agricultural community and its environment.

The Faculty of Agriculture at MUJ provides a domain for quality education and research, thanks to the presence of large farming lands that enable hands-on experimentation and practice. MUJ has alliances with other prominent institutions of agricultural training and research such as ICAR- KRISHI VIGYAN KENDRAS (ICAR-KVKs) and Agriculture Skills Centres etc., for conducting Practical Visits and Study Tours. The department's well qualified, experienced and dedicated faculty & staff are constantly working to groom students to meet the highest standards of the industry

### Life at Mangalayatan:

#### A. ECO FRIENDLY AND CLEAN CAMPUS

The University campus is calm and serene, away from the hussle bussle and pollution of the city. It has an intellectual ambiance ushered by an undulating landscape, and plantation of trees and orchards having resting spaces underneath. Water bodies have been planned and will soon get commissioned to add to the tranquillity and aesthetics of the place. The Agriculture department has its own crop cafes and field laboratories which add to the variety of vegetation in campus.

## B. SPORTS, RECREATION AND CULTURAL ACTIVITIES:

Aligning with the spirit of holistic education- sports, recreation, arts and cultural activities occupy a prominent place in the student life at the University. There are Organizing Committees and Student Societies for promoting wide variety of student interests and activities such as Performing Arts, Cultural Activities, Indoor and Outdoor Sports, Literary Works etc. These student bodies are run by students themselves, under the mentorship of faculty members. Students therefore have a choice of avenues to give expression to their creative urges, develop their hobbies, or hone their talents. Student Societies organise events in the areas of their interest, whereas the University organises competitions at the local and national level to showcase the talents of the students.

## C. CAFETERIA

The University Cafeteria is probably the most welcoming place for a student on campus - a place with modern amenities, wifi and Television - a place to unwind with food and friends - a place to gossip and share lighter moments. A students' day at the University cannot be complete without a visit to the cafeteria, to refresh, re-charge, socialize or to have a peaceful moment in the corner with one's assignments. Birthday parties, celebrations, friendly treats, or even a quick-delightful bite of samosa and chutney is something to look forward to every day. A delightful menu of food items served under hygienic conditions and comfortable lounges makes the cafeteria a 'must-visit' place in the University.

## D. UNIVERSITY NEWS LETTER - "CAMPUS DRONE"

Students are full of thoughts and ideas which need to find a means of expression. The University News Letter publishes articles by students as well as reports the different curricular and extra-curricular events and activities on the campus. The newsletter is an enterprise of a student committee working under the supervision of faculty members.

## E. LIBRARY:

The mission of the University's central library is to provide seamless access to information through innovative services, to facilitate intellectual exchange, and to foster interdisciplinary research. Mangalayatan University has a well-stocked and efficiently maintained library with computerized and user-friendly software to aid in exploring and accessing a wide variety of literary resources. The library constantly gets updated with new arrivals and books recommended by faculty and students. It subscribes to a wide range of national and international journals that are of special interest to the faculty and the research scholars.

## F. UNIVERSITY HOSTEL

The University Hostels are expected to be ready this year. They are designed for modern and aesthetic living, on single or sharing basis. They would feature facilities such as student dining, gymnasium, reading rooms, lounges and entertainment rooms etc. Their location within the campus would ensure 24x7 security to resident students. In addition, they will also have the advantage of living in an eco-friendly, healthy and intellectually stimulating environment.

## G. FINANCE & INVESTMENT CELL

Finance & Investment Cell, gives voice to students opinion on the financial literacy, capital market, personal finance, current affairs and public policy. The cell holds workshops, seminars and talks on contemporary issues by eminent experts in commerce and economics. Students are also oriented on practical financial and economic issues. The Cell promotes students to publish and share articles on their economic and financial analysis, advice and help others on income tax form filling etc.

## H. MENTOR - MENTEE PROTÉGÉE

Mentoring fosters a sense of bonding that builds reciprocal relationship over the period between mentors and mentees. Faculty members at MUJ endeavour to act as a lifelong friend and guide to each of our students so that they are able to leave their cocoon and fly high in the sky.

## Support Services

### Centre for Continuous Employability

The Placement Cell of Mangalayatan University plays a pivotal role in counselling and guiding the students for their successful careers. Placement cell is a crucial interface between the stages of completion of academic program of the students and their entry into suitable employment. The objective of the Training and Placement Cell is to train the students as per industry expectations and provide the best of opportunities available. Professional training is provided to the students to enhance their communication skills & technical skills and to make them work as productive workforce. The Pre-recruitment training is conducted by professional trainers. The training sessions are scheduled from the beginning of each academic session.

Under the Scheme of Entry to Service, the University also provides, free of cost coaching classes to students willing to join Government jobs.

### Counselling Cell

This University recognizes all the students as a valuable "Human Resource" of the Nation. It organizes One to one Counselling Session, Interactive Workshops that provide a platform for the students to voice their opinions and discuss topics which interest or concern them. The idea is to develop feeling of confidence and sense of self-esteem. The cell aims to promote a general feeling of "well-being" among the students and offers personal counselling, if desired, so as to encourage and motivate them to help themselves become efficient and effective individuals

### Grievance Redressal

The Student Grievance Redressal Cell of the University was constituted as per UGC notification F. NO. 14-4/2012(CPP-II) as per the guidelines laid down in Statue number 07 of Statutes and Ordinances of Mangalayatan University Jabalpur.

### Anti-Ragging Committee

In accordance to U.G.C. Regulation on curbing the menace of ragging in Higher Educational Institutions, 2009 an Anti-Ragging Committee and Anti Ragging Squad has been constituted and is actively functional.

### Internal Complaints Committee

Mangalayatan University is committed to maintaining an academic and work environment free of sexual harassment for its students, teachers and non-teaching staff. As per the mandate of Rule 4(1) of UGC

(Prevention, Prohibition and Redressal of Sexual Harassment of Women employees and students in Higher Educational Intuitions) Regulation 2015, Mangalayatan University has constituted an Internal Complaints Committee to address complaints related to sexual harassment. - ❖ All particulars in the application form must be written carefully and legibly by the candidate in his/her own handwriting in English.
- ❖ Incomplete applications shall be rejected.
- ❖ All the entries in the application form must be filled and no entry should be left blank.

### + Confirmation of Admission

- ❖ After counselling, successful candidates will be given an offer of Admission.
- ❖ On receiving the offer of admission, the candidate will be required to deposit the fees as mentioned on the website or in the Prospectus to confirm his/her admission.
- ❖ Upon this payment, the candidate will receive his Admission Letter containing the details of fee paid, allotment of hostel/ bus and date of commencement of academic session and other relevant information. The candidate will be required to produce this letter while coming to the campus for the Orientation program.
- ❖ The admission offered to a candidate who has been provisionally admitted to a program will stand cancelled if he/she does not submit the relevant documents in original pertaining to admission (such as Mark Sheets, Transfer Certificate, Character Certificate etc.) to the Admissions Office before the stipulated date as mentioned in the admission letter.
- ❖ Admissions to various programs will be subject to verification of facts from the original certificates/documents of the candidates. In case any discrepancy is noticed, even at a later point of time after admission, the management reserves all right to cancel the candidate's admission and such a decision shall be final and binding on the candidate. The fee deposited by such candidate will be forfeited.

## About NSS and NCC

The National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs and Sports. It provides opportunity to students at intermediate, graduate and post graduate levels at college and University level in India to take part in various government led community service activities and programs. The sole aim of NSS is to provide hands on experience to young students in delivering community service.

The National Service Scheme of our University started in the year 2021. The main objective of the NSS is to provide opportunity to the students to understand the community and to apply their education in finding practical solutions to the problems faced by the individuals and the community at large. From the beginning the NSS unit of our University is striving to achieve the objectives. The unit has rendered services to the community by participating and involving in various programs of social services and national development. Events such as National Youth Day, distribution of warm clothes, Awareness program for rural women and program on sexual harassment and ragging, Martyr's Day, Inter College Ad-mad and Debate competition, World AIDS Day, COVID Vaccination Program are the few out of many which was hosted by the NSS unit of Mangalayatan University.

The University is fortunate enough to have a responsible, committed and highly experienced NSS Officer, Dr. Prakash Mishra. The University has also started NCC programm under which it is offering 90 seats for the year 2022.
